**Press Release:**

## **SYNCHRONOSS TECHNOLOGIES, INC. ANNOUNCES STOCK REPURCHASE PROGRAM**

**BRIDGEWATER, N.J. – May 3, 2011** — Synchronoss Technologies, Inc. (Nasdaq: SNCR), the leading provider of activation and enablement of cloud services, today announced that its Board of Directors has authorized a stock repurchase program under which the company may repurchase up to \$20 million of its outstanding common stock. Synchronoss plans to make such purchases at prevailing prices over the next twelve months, subject to applicable rules and regulations of the Securities and Exchange Commission.

Stephen G. Waldis, President and Chief Executive Officer of Synchronoss, stated, “We believe today’s announced share repurchase program is in the best interest of Synchronoss and its stockholders as it will help to mitigate dilution from employee stock option exercises and shares issued in connection with our settlement of the FusionOne earn-out agreement.”

Any purchases under the stock repurchase program may be made, from time to time, in the open market, through block trades or otherwise. The program does not obligate Synchronoss to acquire any particular amount of common stock and purchases may be commenced or suspended at any time, or from time to time, without prior notice based on market conditions and other factors.
