(in thousands, except per share data unless otherwise noted)

The consolidated financial statements as of September 30, 2013 and for the three and nine months ended September 30, 2013 and 2012 are unaudited, but in the opinion of management include all adjustments (consisting only of normal recurring adjustments) necessary for a fair presentation of the results for the interim periods. They do not include all of the information and footnotes required by U.S. generally accepted accounting principles (“GAAP”) for complete financial statements and should be read in conjunction with the financial statements and notes in the Annual Report of Synchronoss Technologies, Inc. incorporated by reference in the Company’s annual report on Form 10-K for the year ended December 31, 2012. The consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries. All significant intercompany balances and transactions are eliminated in consolidation. The Company has no unconsolidated subsidiaries or investments accounted for under the equity method. The results reported in these consolidated financial statements should not necessarily be taken as indicative of results that may be expected for the entire year. The balance sheet at December 31, 2012 has been derived from the audited financial statements at that date but does not include all of the information and footnotes required by GAAP for complete financial statements.

2. Basis of Presentation

For further information about the Company's basis of presentation or its significant accounting policies, refer to the financial statements and footnotes thereto included in the Company's annual report on Form 10-K for the year ended December 31, 2012.

In connection with the Spatial Systems Nominees PTY LTD ("Spatial") acquisition, the consolidated balance sheet at December 31, 2012 has been recast to include retrospective purchase accounting adjustments. These adjustments pertain to measurement period adjustments during the nine months ended September 30, 2013 based on the reclassification and valuation of assets acquired and liabilities assumed in the Spatial acquisition. The effect on the consolidated balance sheet at December 31, 2012, as a result of the recast, is a decrease in accounts receivable of \$2.6 million, an increase in prepaid expenses and other assets of \$5.0 million, an increase in goodwill of \$11.8 million, an increase in accrued expenses of \$4.6 million, and an increase in deferred revenues of \$9.6 million.

During the third quarter, the Company entered into a new three year agreement with AT&T which continues until July 31, 2016 unless earlier terminated. AT&T may renew this agreement for one additional year by providing at least ninety days written notice prior to the end of the initial term. This agreement defines the work activities, transaction pricing, forecasting process, service level agreements and remedies associated with certain services performed by the Company for AT&T's e-commerce organizations. The agreement provides for AT&T to pay the Company (i) monthly hosting fees, (ii) fees based on the number of transactions processed through the Company's technology platform, (iii) fees based on manual processing services and (iv) fees for professional services rendered by the Company.

Prior to the third quarter, several of the Company's subsidiaries that operate outside the United States used the U.S. dollar as the functional currency. Effective July 1, 2013, the Company changed the functional currencies of those subsidiaries that operate outside the United States to their local currency. The functional currency is translated into U.S. dollars for balance sheet accounts using the month end rates in effect as of the balance sheet date and average exchange rate for revenue and expense accounts for each respective period. The translation adjustments are deferred as a separate component of stockholders' equity, within accumulated other comprehensive income. Gains or losses resulting from transactions denominated in foreign currencies are included in other income or expense, within the consolidated statements of income. The effects of the change in functional currency were not material to the Company's consolidated financial statements.

Impact of Recently Issued Accounting Standards

In February 2013, the FASB issued ASU 2013-02 which requires additional disclosures regarding the reporting of reclassifications out of accumulated other comprehensive income. ASU 2013-02 requires an entity to present, either on the face of the statement where net income is presented or in the notes, significant amounts reclassified out of accumulated other comprehensive income by the respective line items of net income but only if the amount reclassified is required under U.S. GAAP to be reclassified to net income in its entirety in the same reporting period. This guidance is effective for reporting periods beginning after December 15, 2012. The Company adopted this guidance effective January 1, 2013. The Company's adoption of this standard did not have a significant impact on its consolidated financial statements.

In March 2013, the FASB issued ASU 2013-05, which permits an entity to release cumulative translation adjustments into net income when a reporting entity (parent) ceases to have a controlling financial interest in a subsidiary or group of assets that is a business within a foreign entity. Accordingly, the cumulative translation adjustment should be released into net income only if the sale or transfer results in the complete or substantially complete liquidation of the foreign entity in which the subsidiary or group of assets had resided, or, if a controlling financial interest is no longer held. The revised standard is effective for fiscal years beginning after December 15, 2013; however, early adoption is permitted. The Company does not expect adoption of this ASU to significantly impact its consolidated financial statements.

SYNCHRONOSS TECHNOLOGIES, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS — UNAUDITED (Continued) (in thousands, except per share data unless otherwise noted)

In July 2013, the FASB issued ASU 2013-11, which provides that a liability related to an unrecognized tax benefit would be offset against a deferred tax asset instead of presented gross for a net operating loss carryforward, a similar tax loss, or a tax credit carryforward if such settlement is required or expected in the event the uncertain tax position is disallowed. This new guidance is effective for fiscal years beginning after December 15, 2013. The Company does not expect adoption of this ASU to significantly impact its consolidated financial statements.

3. Earnings per Common Share

The Company calculates basic and diluted per share amounts based on net earnings adjusted for the effects to earnings that would result if contingently issuable shares related to contingent consideration to be settled in the Company's stock were reported as equity for the periods presented. To calculate basic earnings per share, the Company uses the weighted average number of common shares outstanding during the period adjusted for the weighted average number of contingently issuable shares. The weighted average numbers of shares contingently issuable are calculated as if they were outstanding as of the last day of the period. The diluted earnings per share calculation is based on the weighted average number of shares of common stock outstanding adjusted for the number of additional shares that would have been outstanding had all potentially dilutive common shares been issued. Potentially dilutive shares of common stock include stock options, non-vested share awards and contingently issuable shares related to contingent consideration to be settled in stock. The dilutive effects of stock options and restricted stock awards are based on the treasury stock method. The dilutive effects of the contingent consideration to be settled in stock are calculated as if the contingently issuable shares were outstanding as of the beginning of the period. The following table provides a reconciliation of the numerator and denominator used in computing basic and diluted net income attributable to common stockholders per common share. Stock options that are anti-dilutive and excluded from the following table totaled 1,378 and 2,286 for the three months ended September 30, 2013 and 2012, respectively, and 1,406 and 1,709 for the nine months ended September 30, 2013 and 2012, respectively.

	Three Months Ended September 30,		Nine Months Ended September 30,

Weighted average common shares outstanding — diluted	40,056	38,872	39,662	39,192

4. Fair Value Measurements of Assets and Liabilities

The Company classifies marketable securities as available-for-sale. The fair value hierarchy established in the guidance adopted by the Company prioritizes the inputs used in valuation techniques into three levels as follows:

- Level 1 — Observable inputs — quoted prices in active markets for identical assets and liabilities;
- Level 2 — Observable inputs other than the quoted prices in active markets for identical assets and liabilities — includes quoted prices for similar instruments, quoted prices for identical or similar instruments in inactive markets, and amounts derived from valuation models where all significant inputs are observable in active markets; and
- Level 3 — Unobservable inputs — includes amounts derived from valuation models where one or more significant inputs are unobservable and require the Company to develop relevant assumptions.

The following is a summary of assets and liabilities held by the Company and their related classifications under the fair value hierarchy:

SYNCHRONOSS TECHNOLOGIES, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS — UNAUDITED (Continued)
(in thousands, except per share data unless otherwise noted)

	September 30, 2013	December 31, 2012
Level 1 (A)	\$ 42,474	\$ 41,395
Level 2 (B)	8,294	15,474
Level 3 (C)	(9,037)	(8,379)
Total	<u>\$ 41,731</u>	<u>\$ 48,490</u>

- (A) Level 1 assets include money market funds and enhanced income money market funds which are classified as cash equivalents and marketable securities, respectively.
- (B) Level 2 assets include certificates of deposit, municipal bonds and corporate bonds which are classified as marketable securities.
- (C) Level 3 liabilities include the contingent consideration obligation.

The Company utilizes the market approach to measure fair value for its financial assets. The market approach uses prices and other relevant information generated by market transactions involving identical or comparable assets. The Company's marketable securities investments classified as Level 2 primarily utilize broker quotes in a non-active market for valuation of these securities. No transfers of assets between Level 1 and Level 2 of the fair value measurement hierarchy occurred during the nine months ended September 30, 2013.

The aggregate fair value of available-for-sale securities and aggregate amount of unrealized gains and losses for available for sale securities at September 30, 2013 were as follows:

	Aggregate Fair Value	Aggregate Amount of Unrealized	
		Gains	Losses
Due in one year or less	\$ 7,894	\$ 2	\$ (23)
Due after one year, less than five years	5,787	13	(3)
	<u>\$ 13,681</u>	<u>\$ 15</u>	<u>\$ (26)</u>

The aggregate fair value of available-for-sale securities and aggregate amount of unrealized gains and losses for available for sale securities at December 31, 2012 were as follows:

	Aggregate Fair Value	Aggregate Amount of Unrealized	
		Gains	Losses
Due in one year or less	\$ 20,188	\$ 18	\$ (41)
Due after one year, less than five years	653	1	(1)
	<u>\$ 20,841</u>	<u>\$ 19</u>	<u>\$ (42)</u>

Unrealized gains and losses are reported as a component of accumulated other comprehensive loss in stockholders' equity. The cost of securities sold is based on specific identification method. The Company evaluates investments with unrealized losses to determine if the losses are other than temporary. The Company has determined that the gross unrealized losses at September 30, 2013 and December 31, 2012 are temporary. In making this determination, the Company considered the financial condition, credit ratings and near-term prospects of the issuers, the underlying collateral of the investments, and the magnitude of the losses as compared to the cost and the length of time the investments have been in an unrealized loss position. Additionally, while the Company classifies the securities as available for sale, the Company does not currently intend to sell such investments and it is more likely than not to recover the carrying value prior to being required to sell such investments.

The Company determined the fair value of the contingent consideration obligation based on a probability-weighted income approach derived from quarterly revenue estimates and a probability assessment with respect to the likelihood of achieving the various

SYNCHRONOSS TECHNOLOGIES, INC.

(in thousands, except per share data unless otherwise noted)

performance criteria. The fair value measurement is based on significant inputs not observable in the market and thus represents a Level 3 measurement. The significant unobservable inputs used in the fair value measurement of the Company's contingent consideration obligation are the probabilities of achieving certain financial targets and contractual milestones. Significant increases (decreases) in any of those probabilities in isolation may result in a higher (lower) fair value measurement. No changes in valuation techniques occurred during the nine months ended September 30, 2013.

The changes in fair value of the Company's Level 3 contingent consideration obligation during the nine months ended September 30, 2013 were as follows:

	Level 3
Balance at December 31, 2012	\$ 8,379
Fair value adjustment to contingent consideration obligation included in net income	2,676
Earn-out compensation due to SpeechCycle employees	511
SpeechCycle Earn-out payment	(2,553)
Fx impact of change in contingent consideration obligation	24
Balance at September 30, 2013	<u>\$ 9,037</u>

5. Acquisition

Spatial Systems Nominees PTY LTD ("Spatial")

On November 30, 2012, the Company acquired 100% of the capital stock of Spatial, an Australian company with operations in the U.S., for total cash consideration of \$30.6 million and issued approximately 240 shares of the Company's Common Stock. The total cash consideration was comprised of \$30.0 million for the purchase of all of the shares of Spatial and \$625 for the estimated surplus working capital on the date of purchase. Of the 240 shares of the Company's Common Stock issued, only a portion valued at approximately \$1.4 million based on the Company's November 30, 2012 closing stock price per share was considered purchase price. The remaining value of the shares will be recognized as compensation expense and amortized over the service period of three years. In addition, the Company potentially may make payments totaling up to approximately \$5.0 million in cash and may issue up to 260 shares of stock based on the ability to achieve a range of business objectives for the period from December 1, 2012 through November 30, 2013.

The Company accounted for this business combination by applying the acquisition method, and accordingly, the purchase price was allocated to the tangible assets acquired and liabilities assumed based upon their fair values at the acquisition date. The excess of the purchase price over the net tangible assets and liabilities, approximately \$36.4 million was recorded as goodwill, which is not tax deductible. The Company is in the process of finalizing the purchase allocation, thus the provisional measures of deferred revenue, deferred income taxes, intangibles and goodwill are subject to change. The purchase price allocation will be finalized in 2013.

Allocation of Consideration Transferred

Total purchase price is summarized as follows:

	November 30, 2012
Cash consideration	\$ 30,000
Working Capital Surplus	625
Value of Synchronoss common stock issued	1,386
Estimated fair value of the Earn-out payments	4,600
Total purchase price	<u>\$ 36,611</u>

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS — UNAUDITED (Continued)
(in thousands, except per share data unless otherwise noted)

The Company prepared an initial determination of the fair value of assets acquired and liabilities assumed as of the acquisition date using preliminary information. In accordance with ASC 805, during the measurement period an acquirer shall retrospectively adjust the provisional amounts recognized at the acquisition date to reflect information obtained about facts and circumstances that existed as of the acquisition date that, if known, would have affected the measurement of the amounts recognized as of the acquisition date. Accordingly, the Company has recognized measurement period adjustments made during the first quarter of 2013 to the fair value of certain assets acquired and liabilities assumed as a result of the further refinements in the Company's provisional amounts. These adjustments were retrospectively applied to the November 30, 2012 acquisition date balance sheet. The effect of these adjustments on the preliminary purchase price allocation was a decrease in accounts receivable of \$2.6 million, an increase in prepaid expenses and other assets of \$5.0 million, an increase to goodwill of \$11.8 million, an increase in accrued expenses of \$4.6 million, and an increase to deferred revenues of \$9.6 million. None of the adjustments had a material impact on the Company's previously reported results of operations.

The following table summarizes the estimated fair values of the assets and liabilities assumed at the acquisition date, as adjusted:

	November 30, 2012
Cash and cash equivalents	\$ 2,395

Newbay Software Limited ("Newbay")

On December 24, 2012, the Company acquired 100% of the capital stock of Newbay, an Ireland company, and its subsidiaries, for cash consideration of \$55.5 million. Newbay has operations in Europe and the U.S.

The Company accounted for this business combination by applying the acquisition method, and accordingly, the purchase price was allocated to the tangible assets acquired and liabilities assumed based upon their fair values at the acquisition date. The excess of the purchase price over the net tangible assets and liabilities, approximately \$23.2 million was recorded as goodwill, which is not tax deductible. The Company is in the process of finalizing the purchase allocation, thus the provisional measures of deferred revenue, deferred income taxes, intangibles and goodwill are subject to change. The Company expects the purchase price allocation will be finalized in 2013.

Overview

We are a mobile innovation company that provides software-based activation and personal cloud solutions for connected devices across the globe. Such solutions include device and service procurement, provisioning, activation, support, intelligent connectivity management and content synchronization, back-up and sharing that enable communications service providers (CSPs), cable operators/multi-services operators (MSOs), original equipment manufacturers (OEMs) with embedded connectivity (e.g. smartphones, laptops, tablets and mobile Internet devices, among others), e-Tailers/retailers and other customers to accelerate and monetize their go-to-market strategies for connected devices. This includes automating subscriber activation, order management, upgrades, service provisioning and connectivity and content management from any channel (e.g., e-commerce, telesales, enterprise, indirect and other retail outlets, etc.) to any communication service (e.g., wireless (3G, (EV-DO and HSPA), 4G, (LTE and WiMAX)), Wi-Fi, high speed access, local access, IPTV, cable, satellite TV, etc.) across any connected device type with support for content transfer, synchronization and sharing. Our global solutions touch all aspects of connected devices on the mobile Internet.

Our Activation Services and Personal Cloud platforms provide end-to-end seamless integration between customer-facing channels/applications, communication services, or devices and "back-office" infrastructure-related systems and processes. Our customers rely on our solutions and technology to automate the process of activation and content management for their customers' devices while delivering additional communication services. Our platforms also support automated customer care processes through use of accurate and effective speech processing technology and enable our customers to offer their subscribers the ability to store in the Cloud their personal content and data which resides on their connected mobile devices, such as personal computers, smartphones and tablets. Our platforms are designed to be carrier-grade, high availability, flexible and scalable to enable multiple converged communication services to be managed across multiple distribution channels, including e-commerce, m-commerce, telesales, customer stores, indirect and other retail outlets, etc., allowing us to meet the rapidly changing and converging services and connected devices offered by our customers. We enable our customers to acquire, retain and service subscribers quickly, reliably and cost-effectively by enabling back-up, synchronization and sharing of subscriber content. Through the use of our platforms, our customers can simplify the processes associated with managing the customer experience for procuring, activating, connecting, synchronizing and social media sharing connected devices, content and services. The extensibility, scalability and relevance of our platforms enable new revenue streams and retention opportunities for our customers through new subscriber acquisitions, sale of new devices, accessories and new value-added service offerings in the Cloud, while optimizing their cost of operations and enhancing customer experience.

We currently operate in and market our solutions and services directly through our sales organizations in North America, Europe and Asia-Pacific.

Revenues

We generate a substantial portion of our revenues on a per-transaction or subscription basis, which is derived from contracts that extend up to 60 months from execution. For the three months ended September 30, 2013 and 2012, we derived approximately 77% and 72%, respectively, of our revenues from transactions processed and subscription arrangements. The remainder of our revenues

[Table of Contents](#)

was generated from professional services and licenses. The current mix of revenue represents higher transaction and subscription revenues than we have historically experienced. This is a result of new subscription arrangements with our existing customers.

Historically, our revenues have been directly impacted by the number of transactions processed. The future success of our business depends on the continued growth of consumer and business transactions and, as such, the volume of transactions that we process could fluctuate on a quarterly basis. See “Current Trends Affecting Our Results of Operations” for certain matters regarding future results of operations.

Most of our revenues are recorded in U.S. dollars but as we continue to expand our footprint with international carriers and increase the extent of recording our international activities in local currencies we will become subject to currency translation risk that could affect our future net sales.

Our five largest customers, AT&T, Comcast, Charter Communications, Verizon Wireless and Vodafone, accounted for approximately 79% of our revenues for the three months ending September 30, 2013, as compared to our five largest customers, AT&T, Charter Communications, Time Warner Cable, Verizon Wireless, and Vodafone, which accounted for 78% of our revenues for the three months ended September 30, 2012. AT&T and Verizon Wireless are the only customers that accounted for more than 10% of our revenues for the three months ended September 30, 2013 and 2012. See “Risk Factors” for certain matters bearing risks on our future results of operations.

During the third quarter, we entered into a new three year agreement with AT&T which continues until July 31, 2016 unless earlier terminated. AT&T may renew this agreement for one additional year by providing at least ninety days written notice prior to the end of the initial term. This agreement defines the work activities, transaction pricing, forecasting process, service level agreements and remedies associated with certain services performed by us for AT&T’s e-commerce organizations. The agreement provides for AT&T to pay us (i) monthly hosting fees, (ii) fees based on the number of transactions processed through our technology platform, (iii) fees based on manual processing services and (iv) fees for professional services rendered by us.

Costs and Expenses

Our costs and expenses consist of cost of services, research and development, selling, general and administrative, change in contingent consideration, depreciation and amortization and interest and other expense.

Cost of services includes all direct materials, direct labor, cost of facilities and those indirect costs related to revenues such as indirect labor, materials and supplies. Our primary cost of services is related to our information technology and systems department, including network costs, data center maintenance, database management and data processing costs, as well as personnel costs associated with service implementation, customer deployment and customer care. Also included in cost of services are costs associated with our exception handling centers and the maintenance of those centers. Currently, we utilize a combination of employees and third-party providers to process transactions through these centers.

Research and development costs are expensed as incurred unless they meet GAAP criteria for deferral and amortization. Software development costs incurred prior to the establishment of technological feasibility do not meet these criteria, and are expensed as incurred. Research and development expense consists primarily of costs related to personnel, including salaries and other personnel-related expenses, consulting fees and the cost of facilities, computer and support services used in service technology development. We also expense costs relating to developing modifications and minor enhancements of our existing technology and services.

Selling, general and administrative expense consists of personnel costs including salaries, sales commissions, sales operations and other personnel-related expense, travel and related expense, trade shows, costs of communications equipment and support services, facilities costs, consulting fees and costs of marketing programs, such as internet and print. General and administrative expense consists primarily of salaries and other personnel-related expense for our executive, administrative, legal, finance and human resources functions, facilities, professional services fees, audit, tax and bad debt expense.

Net change in contingent consideration obligation consists of the changes to the fair value estimates of the obligation to the former equity holders which resulted from our acquisitions. The estimates are based on the weighted probability of achieving certain financial targets and milestones. The contingent consideration obligation earn-out periods are no longer than 12 months in duration.

[Table of Contents](#)

Restructuring charges consist of the costs associated with the January 2013 work-force reduction plan to reduce costs and align our resources with our key strategic priorities. The restructuring charges include employee termination costs and facilities consolidation costs related to minimum lease payments of a leased location that will be closed.

Depreciation relates to our property and equipment and includes our network infrastructure and facilities. Amortization primarily relates to trademarks, customer lists and technology acquired.

Interest expense consists primarily of interest on our lease financing obligations.

Current Trends Affecting Our Results of Operations

Our on-demand business model enables delivery of our proprietary solutions over the Web as a service and has been driven by market trends such as various forms of device activations, order provisioning, local and mobile number portability ("L/MNP"), the implementation of new technologies, subscriber growth, competitive churn, network changes, growth of the emerging device market (i.e., smartphones, tablets, connected consumer electronics devices, etc.), need for Cloud-based content back up, synchronization and sharing, and a universal connectivity platform for all connected devices and consolidations in the industry. In particular, the emergence of order provisioning of e-commerce transactions for smartphone devices, wireless, VoIP, L/MNP, and other communication services surrounding the convergence of bundled services, as well as the recent cooperative activities between cable MSOs and wireless carriers, have increased the need for our services and we believe will continue to be a source of growth for us. New and emerging companies looking to offer wireless services also look towards us as a source of knowledge and technology.

To support our expected growth driven by the favorable industry trends mentioned above, we continue to look for opportunities to improve our operating efficiencies, such as the utilization of offshore technical and non-technical resources for our exception handling center management as well as routine software maintenance activities. We believe that these opportunities will continue to provide future benefits and position us to support revenue growth. In addition, we anticipate further automation of the transactions generated by our more mature customers and additional transaction types. Our cost of services can fluctuate from period to period based upon the level of automation and the on-boarding of new transaction and service types.

We continue to advance our plans for the expansion of our platforms' footprint with international carriers to support connected devices and multiple networks through our focus on transaction management and Cloud-based services for back up, synchronization and sharing of content. Our initiatives with AT&T, Verizon Wireless, Vodafone and other CSPs continue to grow along with our account presence with connected device OEM's. We are also exploring additional opportunities through merger and acquisition activities to support our customer, product and geographic diversification strategies.

Critical Accounting Policies and Estimates

The discussion and analysis of our financial condition and results of operations are based on our consolidated financial statements, which have been prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). The preparation of these consolidated financial statements in accordance with GAAP requires us to utilize accounting policies and make certain estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingencies as of the date of the financial statements and the reported amounts of revenues and expenses during a fiscal period. The Securities and Exchange Commission ("SEC") considers an accounting policy to be critical if it is important to a company's financial condition and results of operations, and if it requires significant judgment and estimates on the part of management in its application. We have discussed the selection and development of the critical accounting policies with the audit committee of our board of directors, and the audit committee has reviewed our related disclosures in this Form 10-Q. Although we believe that our judgments and estimates are appropriate, correct and reasonable under the circumstances, actual results may differ from those estimates. If actual results or events differ materially from those contemplated by us in making these estimates, our reported financial condition and results of operations for future periods could be materially affected. See "Risk Factors" for certain matters bearing risks on our future results of operations.

We believe that of our significant accounting policies, which are described in Note 2 in our Annual Report on Form 10-K for the year ended December 31, 2012, the following accounting policies involve a greater degree of judgment and complexity. Accordingly, these are the policies we believe are the most critical to aid in fully understanding and evaluating our consolidated financial condition

and results of operations:

- Revenue Recognition and Deferred Revenue
- Income Taxes
- Goodwill and Impairment of Long-Lived Assets
- Business Combinations
- Stock-Based Compensation

There were no significant changes in our critical accounting policies and estimates discussed in our Form 10-K during the nine months ended September 30, 2013. Please refer to Management's Discussion and Analysis of Financial Condition and Results of Operations contained in Part II, Item 7 of our Annual Report on Form 10-K for the year ended December 31, 2012 for a more complete discussion of our critical accounting policies and estimates.

Net revenues related to Activation Services represented 70% for the three months ended September 30, 2013, compared to 75% for the same period in 2012. Net revenues related to our Personal Cloud Services increased by \$9.6 million to \$26.8 million of our revenues for the three months ended September 30, 2013 compared to the same period in 2012. Our cloud service revenue growth was driven by the scaling of our Personal Cloud platform deployments with major Tier 1 mobile operator customers. Net revenues related to our Personal Cloud Services represented 30% for the three months ended September 30, 2013, compared to 25% for the same period in 2012.

Expenses

Cost of Services. Cost of services increased \$9.0 million to \$38.1 million for the three months ended September 30, 2013, compared to the same period in 2012, due primarily to an increase of \$3.4 million in telecommunication and facility costs related to the increased call volume and capacity associated with our data facilities. There was also an increase of \$3.2 million in outside consulting expense, due to our increased use of third party exception handling vendors. There was also an increase of \$1.3 million in

our personnel and related costs and an increase of \$545 thousand in our stock-based compensation. The increase in personnel and related costs and stock-based compensation was due primarily to our continued growth in existing and new programs with our current customers and recent acquisitions. Cost of services as a percentage of revenues increased to 42.5% for the three months ended September 30, 2013, as compared to 42.2% for the three months ended September 30, 2012.

Research and Development. Research and development expense increased \$3.9 million to \$16.6 million for the three months ended September 30, 2013, compared to the same period in 2012, due primarily to headcount increases. There was an increase of \$2.1 million in our personnel and related costs and an increase of \$337 thousand in stock-based compensation. The increase in personnel and related costs and stock-based compensation was due primarily to our continued growth as we further expand the capabilities of our offerings, as well as investing in several early-stage customer deployments. There were also increases of \$691 thousand in outside consultants and \$458 thousand in telecom and facilities costs as a result of the expansion of our programs. Research and development expense as a percentage of revenues increased to 18.5% for three months ended September 30, 2013 as compared to 18.3% for the three months ended September 30, 2012.

Selling, General and Administrative. Selling, general and administrative expense increased \$5.3 million to \$15.6 million for the three months ended September 30, 2013, compared to the same period in 2012, due primarily to headcount increases. There was an increase of \$2.6 million in personnel and related costs and an increase of \$1.8 million in stock-based compensation. The increase in personnel and related costs and stock-based compensation was due primarily to our continued growth in existing and new programs with our current customers and recent acquisitions. There was also an increase of \$631 thousand in telecommunications and facility costs as a result of the expansion of our facilities. Selling, general and administrative expense as a percentage of revenues increased to 17.3% for the three months ended September 30, 2013, compared to 14.9% for the three months ended September 30, 2012.

Net change in contingent consideration obligation. The net change in contingent consideration obligation resulted in a \$500 thousand increase of the contingent consideration obligation for the three months ended September 30, 2013 driven by changes in the fair value estimates related to the weighted probability of achieving revenue and product milestones for the Spatial Systems Nominees PTY Limited ("Spatial") Earn-out and changes in our stock price. The \$327 thousand reduction of the fair value change in the contingent consideration liability for the three months ended September 30, 2012 was due to the change in the estimate of the fair value of the contingent consideration obligation related to the Miyowa S.A. ("Miyowa") and SpeechCycle, Inc. ("SpeechCycle") Earn-outs, primarily due to changes in the probability of achieving revenue and product milestones.

Depreciation and amortization. Depreciation and amortization expense increased \$4.1 million to \$10.2 million for the three months ended September 30, 2013, compared to the same period in 2012, primarily related to the amortization of our newly acquired intangible assets of Spatial and Newbay Software Limited. There was also an increase in depreciable fixed assets necessary for the continued expansion of our platforms. Depreciation and amortization expense as a percentage of revenues increased to 11.4% for the three months ended September 30, 2013, as compared to 8.8% for the three months ended September 30, 2012.

Income from Operations. Income from operations decreased \$2.4 million to \$8.8 million for the three months ended September 30, 2013, compared to the same period in 2012. This was due primarily to increased charges related to the net change in contingent consideration obligation, increases in depreciable fixed assets, intangible amortization and the additional costs associated with our acquired operations offset by increased revenues. Income from operations as a percentage of revenues decreased to 9.8% for the three months ended September 30, 2013, as compared to 16.2% for the three months ended September 30, 2012.

Interest income. Interest income decreased \$146 thousand to \$149 thousand for the three months ended September 30, 2013, compared to the same period in 2012. Interest income decreased primarily due to a reduction of our cash and investment balances as a result of our recent acquisitions.

Interest expense. Interest expense increased \$13 thousand to \$235 thousand for the three months ended September 30, 2013, compared to the same period in 2012.

Other expense. Other expense increased \$162 thousand to \$369 thousand for the three months ended September 30, 2013, compared to the same period in 2012. Other expense increased primarily due to a reduction in refundable research and development tax credits in France and changes in foreign currency exchange rate fluctuations.

Income Tax. We recognized approximately \$4.7 million and \$4.8 million in related tax expense during the three months ended September 30, 2013 and 2012, respectively. Our effective tax rate was approximately 56.7% for the three months ended September 30, 2013, which was higher than our U.S. federal statutory rate primarily due to the unfavorable impact of the fair market value adjustment for the contingent consideration obligation related to the Spatial Earn-out and higher state taxes. Our effective tax rate was approximately 43.8% for the three months ended September 30, 2012, which was higher than our U.S. federal statutory rate primarily due a shift to increased U.S. profits, which resulted in an increase in the state effective rates. We review the expected annual effective income tax rate and make changes on a quarterly basis as necessary based on certain factors such as changes in forecasted annual operating income, changes to the actual and forecasted permanent book-to-tax differences, and changes resulting from the impact of tax law changes.

Nine months ended September 30, 2013 compared to the nine months ended September 30, 2012

Net Revenues. Net revenues increased \$51.3 million to \$251.8 million for the nine months ended September 30, 2013, compared to the same period in 2012. This increase was due primarily to the expansion of our services provided to our customers. Transaction and subscription revenues as a percentage of sales were 70% or \$175.3 million for the nine months ended September 30, 2013 and 68% or \$136.4 million for the same period in 2012. Professional service and license revenues as a percentage of sales were 30% or \$76.5 million for the nine months ended September 30, 2013, compared to 32% or \$64.1 million for the same period in 2012. The increase in transaction and subscription revenue is primarily due to new subscription arrangements with our existing customers.

Net revenues related to Activation Services increased \$30.6 million to \$175.2 million for the nine months ended September 30, 2013 compared to the same period in 2012. The combination of upgrade promotions being offered by operators, along with the positive impact of Family Share Plans drove increased transaction volumes. Net revenues related to Activation Services represented 70% for the nine months ended September 30, 2013, compared to 72% for the same period in 2012. Net revenues related to our Personal Cloud Services increased by \$20.7 million to \$76.6 million of our revenues for the nine months ended September 30, 2013 compared to the same period in 2012. Our cloud service revenue growth was driven by the scaling of our Personal Cloud platform deployments with major Tier 1 mobile operator customers. Net revenues related to our Personal Cloud Services represented 30% for the nine months ended September 30, 2013, compared to 28% for the same period in 2012.

Expenses

Cost of Services. Cost of services increased \$21.4 million to \$105.8 million for the nine months ended September 30, 2013, compared to the same period in 2012, due primarily to an increase of \$10.6 million in telecommunication and facility costs related to the increased call volume and capacity associated with our data facilities. There was also an increase of \$6.5 million in our personnel and related costs and an increase of \$813 thousand in our stock-based compensation. The increase in personnel and related costs and stock-based compensation was due primarily to our continued growth in existing and new programs with our current customers and recent acquisitions. There was also an increase of \$2.8 million in outside consulting expense due to our increased use of third party exception handling vendors. Cost of services as a percentage of revenues decreased to 42.0% for the nine months ended September 30, 2013, as compared to 42.1% for the nine months ended September 30, 2012.

Research and Development. Research and development expense increased \$11.5 million to \$49.6 million for the nine months ended September 30, 2013, compared to the same period in 2012, due primarily to headcount increases. There was an increase of \$8.5 million in personnel and related costs and an increase of \$628 thousand in stock-based compensation. The increase in personnel and related costs and stock-based compensation was due primarily to our continued growth as we further expand the capabilities of our offerings, as well as investing in several early-stage customer deployments. There were also increases of \$1.3 million in outside consultants and \$872 thousand in telecom and facilities costs as a result of the expansion of our programs. Research and development expense as a percentage of revenues increased to 19.7% for nine months ended September 30, 2013 as compared to 19.0% for the nine months ended September 30, 2012.

Selling, General and Administrative. Selling, general and administrative expense increased \$13.4 million to \$45.2 million for the nine months ended September 30, 2013, compared to the same period in 2012, due primarily to headcount increases. There was an increase of \$7.2 million in personnel and related costs and an increase of \$2.5 million in stock-based compensation expense. The increase in personnel and related costs and stock-based compensation was due primarily to our continued growth in existing and new programs with our current customers and recent acquisitions. There was also an increase of \$1.8 million in professional services related to accounting and legal costs as a result of our acquisition and patent activity and an increase of \$1.7 million in telecommunications and facility costs as a result of our acquisitions. Selling, general and administrative expense as a percentage of revenues increased to 17.9% for the nine months ended September 30, 2013, compared to 15.8% for the nine months ended September 30, 2012.

Net change in contingent consideration obligation. The net change in contingent consideration obligation resulted in a \$2.7 million increase of the contingent consideration obligation for the nine months ended September 30, 2013 driven by changes in the fair value estimates related to the weighted probability of achieving revenue and product milestones for the SpeechCycle, Inc. ("SpeechCycle") and Spatial Systems Nominees PTY Limited ("Spatial") Earn-outs and changes in our stock price. The \$5.7 million reduction of the fair value change in the contingent consideration liability for the nine months ended September 30, 2012 was due to the change in the estimate of the fair value of the contingent consideration obligation related to the Sapience Knowledge Systems, Inc. ("SKS"), Miyowa S.A. ("Miyowa"), and SpeechCycle Earn-outs, primarily due to changes in the probability of achieving revenue and product milestones and operational efficiencies.

Restructuring charges. Restructuring charges were \$5.2 million, consisting of \$4.6 million for employment termination costs and \$555 thousand for minimum lease payments, for the nine months ended September 30, 2013, as a result of the January 2013 work-force reduction plan to reduce costs and align our resources with our key strategic priorities.

Depreciation and amortization. Depreciation and amortization expense increased \$11.6 million to \$28.8 million for the nine months ended September 30, 2013, compared to the same period in 2012, primarily related to the amortization of our newly acquired intangible assets of SpeechCycle, Spatial and Newbay Software Limited. There was also an increase in depreciable fixed assets necessary for the continued expansion of our platforms. Depreciation and amortization expense as a percentage of revenues increased to 11.4% for the nine months ended September 30, 2013, as compared to 8.6% for the nine months ended September 30, 2012.

Income from Operations. Income from operations decreased \$20.2 million to \$14.6 million for the nine months ended September 30, 2013, compared to the same period in 2012. This was due primarily to increased charges related to the net change in contingent consideration obligation, increases in depreciable fixed assets, restructuring charges related to our work-force reduction and facilities consolidation to align our resources with our key strategic priorities, increased intangible amortization and the additional costs associated with our acquired operations offset by increased revenues. Income from operations as a percentage of revenues decreased to 5.8% for the nine months ended September 30, 2013, as compared to 17.4% for the nine months ended September 30, 2012.

Interest income. Interest income decreased \$591 thousand to \$432 thousand for the nine months ended September 30, 2013, compared to the same period in 2012. Interest income decreased primarily due to a reduction of our cash and investment balances as a result of our recent acquisitions.

Interest expense. Interest expense increased \$12 thousand to \$714 thousand for the nine months ended September 30, 2013, compared to the same period in 2012.

[Table of Contents](#)

Other expense. Other expense increased \$912 thousand to \$326 thousand for the nine months ended September 30, 2013, compared to the same period in 2012. Other expense increased primarily due to a reduction in refundable research and development credits realized in France and changes in foreign currency exchange rate fluctuations.

Income Tax. We recognized approximately \$6.5 million and \$12.1 million in related tax expense during the nine months ended September 30, 2013 and 2012, respectively. Our effective tax rate was approximately 46.6% for the nine months ended September 30, 2013, which was higher than our U.S. federal statutory rate primarily due to the unfavorable impact of the fair market value adjustment for the contingent consideration obligation related to the Spatial Earn-out and higher state taxes, offset by the favorable impact of recognizing the 2012 tax credit for research and experimentation expenses as a discrete benefit in the first quarter, in accordance with the date of enactment of the American Taxpayer Relief Act of 2012. Our effective tax rate was approximately 33.9% for the nine months ended September 30, 2012, which was lower than our U.S. federal statutory rate primarily due to the favorable tax impact of the fair market value adjustment for the contingent consideration obligation related to the Miyowa, SKS, and SpeechCycle equity holders, and increased profits of certain foreign jurisdictions, which have lower tax rates than the U.S., partially offset by the effect of state income taxes. We review the expected annual effective income tax rate and make changes on a quarterly basis as necessary based on certain factors such as changes in forecasted annual operating income, changes to the actual and forecasted permanent book-to-tax differences, and changes resulting from the impact of tax law changes.

Liquidity and Capital Resources

Our principal source of liquidity has been cash provided by operations. Our cash, cash equivalents and marketable securities balance was \$50.8 million at September 30, 2013, a decrease of \$6.1 million as compared to the balance at December 31, 2012. During the nine months ended September 30, 2013, purchases of fixed assets were offset by cash generated from operations and the exercise of stock options. We anticipate that our principal uses of cash in the future will be to fund the expansion of our business through both organic growth as well as possible acquisition activities and the expansion of our customer base internationally. Uses of cash will also include facility and technology expansion, capital expenditures, and working capital.

In September 2013, we entered into a Credit Agreement (the "Credit Facility") with JP Morgan Chase Bank, N.A., as administrative agent, Wells Fargo Bank, National Association, as syndication agent and Capital One, National Association and KeyBank National Association, as co-documentation agents. The Credit Facility, which will be used for general corporate purposes, is a \$100 million unsecured revolving line of credit that matures on September 27, 2018. We have the right to request an increase in the aggregate principal amount of the Credit Facility to \$150 million. We have not drawn down any funds under the Credit Facility.

The Credit Facility is subject to certain financial covenants. As of September 30, 2013, we were in compliance with all required covenants and there were no outstanding balances on the Credit Facility.

Discussion of Cash Flows

Cash flows from operations. Net cash provided by operating activities for the nine months ended September 30, 2013 was \$33.4 million, as compared to \$34.8 million cash provided for the same period in 2012. The decrease in net cash provided by operating activities for the nine months ended September 30, 2013 of \$1.4 million as compared to 2012 is primarily due to a decline in net income offset by changes in non-cash items and working capital accounts.

Cash flows from investing. Net cash used in investing activities for the nine months ended September 30, 2013 was \$48.3 million, as compared to \$49.5 million for the same period in 2012. The decrease in net cash used in investing activities for the nine months ended September 30, 2013 of \$1.2 million as compared to 2012 is primarily due to a lack of acquisitions in 2013 compared to 2012 offset by increased purchases of property and equipment related to our continued investments in our global information technology and business systems infrastructure.

Cash flows from financing. Net cash provided by financing activities for the nine months ended September 30, 2013 was \$17.6 million, as compared to \$2.3 million cash used by financing activities for the same period in 2012. The increase in net cash provided by financing activities for the nine months ended September 30, 2013 of \$19.9 million as compared to 2012 is primarily due to an increase in proceeds from the exercise of stock options and the lack of repurchases of stock in 2013 compared to 2012.

[Table of Contents](#)

We believe that our existing cash and cash equivalents, cash generated from our existing operations and our credit facilities will be sufficient to fund our operations for the next twelve months.

Effect of Inflation

Although inflation generally affects us by increasing our cost of labor and equipment, we do not believe that inflation has had any material effect on our results of operations for the nine months ended September 30, 2013 and 2012.

Impact of Recently Issued Accounting Standards

In February 2013, the FASB issued ASU 2013-02 which requires additional disclosures regarding the reporting of reclassifications out of accumulated other comprehensive income. ASU 2013-02 requires an entity to present, either on the face of the statement where net income is presented or in the notes, significant amounts reclassified out of accumulated other comprehensive income by the respective line items of net income but only if the amount reclassified is required under U.S. GAAP to be reclassified to net income in its entirety in the same reporting period. This guidance is effective for reporting periods beginning after December 15, 2012. We adopted this guidance effective January 1, 2013. Our adoption of this standard did not have a significant impact on our consolidated financial statements.

In March 2013, the FASB issued ASU 2013-05, which permits an entity to release cumulative translation adjustments into net income when a reporting entity (parent) ceases to have a controlling financial interest in a subsidiary or group of assets that is a business within a foreign entity. Accordingly, the cumulative translation adjustment should be released into net income only if the sale or transfer results in the complete or substantially complete liquidation of the foreign entity in which the subsidiary or group of assets had resided, or, if a controlling financial interest is no longer held. The revised standard is effective for fiscal years beginning after December 15, 2013; however, early adoption is permitted. We do not expect adoption of this ASU to significantly impact our consolidated financial statements.

In July 2013, the FASB issued ASU 2013-11, which provides that a liability related to an unrecognized tax benefit would be offset against a deferred tax asset instead of presented gross for a net operating loss carryforward, a similar tax loss, or a tax credit carryforward if such settlement is required or expected in the event the uncertain tax position is disallowed. This new guidance is effective for fiscal years beginning after December 15, 2013. We do not expect adoption of this ASU to significantly impact our consolidated financial statements.

Off-Balance Sheet Arrangements

We had no off-balance sheet arrangements as of September 30, 2013 and December 31, 2012.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Market Risk

In addition to the other information set forth in this report, you should carefully consider the factors discussed in Part II, “Item 7A. Quantitative and Qualitative Disclosures about Market Risk” in our Annual Report on Form 10-K for the year ended December 31, 2012, which could materially affect our business, financial condition or future results. We believe our exposure associated with these market risks has not changed materially since December 31, 2012.

Foreign Currency Exchange Risk

Prior to the third quarter, several of our subsidiaries that operate outside the United States used the U.S. dollar as the functional currency. Effective July 1, 2013, we changed the functional currencies of those subsidiaries that operate outside the United States to their local currency. The functional currency is translated into U.S. dollars for balance sheet accounts using the month end rates in effect as of the balance sheet date and average exchange rate for revenue and expense accounts for each respective period. The translation adjustments are deferred as a separate component of stockholders’ equity, within accumulated other comprehensive income. Gains or losses resulting from transactions denominated in foreign currencies are included in other income or expense, within the consolidated statements of income. The effects of the change in functional currency were not material to our consolidated financial statements.

We do not hold any derivative instruments and do not engage in any hedging activities. Although our reporting currency is the U.S. dollar, we may conduct business and incur costs in the local currencies of other countries in which we may operate, make sales and buy materials. As a result, we are subject to currency translation risk. Further, changes in exchange rates between foreign currencies

and the U.S. dollar could affect our future net sales and cost of sales and could result in exchange losses.

We cannot accurately predict future exchange rates or the overall impact of future exchange rate fluctuations on our business, results of operations and financial condition. To the extent that our international activities recorded in local currencies increase in the future, our exposure to fluctuations in currency exchange rates will correspondingly increase and hedging activities may be considered if appropriate.

ITEM 4. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures.

Under the supervision and with the participation of our management, including our Chief Executive Officer and our Chief Financial Officer, we evaluated the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended) as of September 30, 2013. Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective as of September 30, 2013, the end of the period covered by this quarterly report, to ensure that the information required to be disclosed by us in the reports that we file or submit under the Securities Exchange Act of 1934, as amended, are recorded, processed, summarized and reported within the time periods specified in the rules and forms of the Securities and Exchange Commission, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosures.

Changes in internal controls over financial reporting

We have implemented new financial systems that will continue in phases over the next several quarters. In connection with this initiative and the resulting changes in our financial systems, the Company continues to enhance the design and documentation of our internal control processes to ensure that controls over our financial reporting remain effective. Except as noted, there were no changes in our internal control over financial reporting identified in connection with the evaluation required by paragraph (d) of Exchange Act Rule 13a-15 that was conducted during the last fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II — OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

We are not currently subject to any legal proceedings that could have a material adverse effect on our operations; however, we may from time to time become a party to various legal proceedings arising in the ordinary course of our business. For instance, on October 4, 2011, we filed a complaint in the United States District Court for the District of New Jersey (Civ Act. No. 3:11-cv-05811 FLW-TJB) against Assurion, Inc. (“Assurion”), claiming that Assurion has infringed, and continues to infringe, several of our patents. On February 3, 2012, Assurion filed an answer to our complaint and asserted certain counterclaims that our patents at issue are invalid. In addition, on November 21, 2011, we filed an amended complaint in the United States District Court for the District of New Jersey (Civ Act. No. 3:11-cv-06713) against OnMobile Global Limited, VoxMobili, Inc. and VolMobili, S.A. (“collectively, VoxMobili”), claiming that VoxMobili has infringed, and continues to infringe, several of our patents. On April 2, 2012, VoxMobili filed an answer to our complaint and asserted certain counterclaims that our patents at issue are invalid. On March 23, 2013, the Court stayed both the Assurion and VoxMobili actions pending reexamination of several asserted patents in the United States Patent and Trademark Office. Although due to the inherent uncertainties of litigation, we cannot predict the outcome of the actions at this time, we continue to pursue our claims and believe that the Assurion and VoxMobili counterclaims are without merit, and we intend to defend all of such counterclaims.

ITEM 1A. RISK FACTORS

In addition to the other information set forth in this report, you should carefully consider the factors discussed in Part I, “Item 1A. Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2012, which could materially affect our business, financial condition or future results. The risks described in our Form 10-K are not the only risks we face. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial also may materially adversely affect our business, financial condition and/or operating results. If any of the risks actually occur, our business, financial condition or results of operations

[Table of Contents](#)

could be negatively affected. In that case, the trading price of our stock could decline, and our stockholders may lose part or all of their investment.

Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made (i) without giving effect to any election under Accounting Standards Codification 825-10-25 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any Subsidiary at “fair value”, as defined therein, (ii) without giving effect to any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof and (iii) in a manner such that any obligations relating to a lease that was accounted for by such Person as an operating lease as of the Effective Date and any similar lease entered into after the Effective Date by the Borrower or any Subsidiary shall be accounted for as obligations relating to an operating lease and not as Capital Lease Obligations .

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Swap Agreement applicable to such Indebtedness).

SECTION 1.05 Status of Obligations. In the event that the Borrower or any other Loan Party shall at any time issue or have outstanding any Subordinated Indebtedness, the Borrower shall take or cause such other Loan Party to take all such actions as shall be necessary to cause the Obligations to constitute senior indebtedness (however denominated) in respect of such Subordinated Indebtedness and to enable the Administrative Agent and the Lenders to have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness. Without limiting the foregoing, the Obligations are hereby designated as “senior indebtedness” and as “designated senior indebtedness” and words of similar import under and in respect of any indenture or other agreement or instrument under which such Subordinated Indebtedness is outstanding and are further given all such other designations as shall be required under the terms of any such Subordinated Indebtedness in order that the Lenders may have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness.

ARTICLE II

The Credits

SECTION 2.01 Commitments. Subject to the terms and conditions set forth herein, each Lender (severally and not jointly) agrees to make Revolving Loans to the Borrower in Dollars from time to time during the Availability Period in an aggregate principal amount that will not result in (a) such Lender’s Revolving Credit Exposure exceeding such Lender’s Commitment or (b) the sum of the total Revolving Credit Exposures exceeding the Aggregate Commitment. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans.

SECTION 2.02 Loans and Borrowings. (a) Each Revolving Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Revolving Loans made by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender’s failure to make Loans as required. Any Swingline Loan shall be made in accordance with the procedures set forth in Section 2.05.

(b) Subject to Section 2.14, each Revolving Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith. Each Swingline Loan shall be an ABR Loan. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.14, 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurodollar Revolving Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000. At the time that each ABR Revolving Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$250,000 and not less than \$500,000; provided that an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unused balance of the Aggregate Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e). Each Swingline Loan shall be in an amount that is an integral multiple of \$100,000 and not less than \$100,000. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) Eurodollar Revolving Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

SECTION 2.03 Requests for Revolving Borrowings. To request a Revolving Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 11:00 a.m., New York City time, one (1) Business Day before the date of the proposed Borrowing; provided that any such notice of an ABR Revolving Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e) may be given not later than 10:00 a.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Borrowing Request signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of the requested Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;
- (iv) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and
- (v) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.07.

If no election as to the Type of Revolving Borrowing is specified, then the requested Revolving Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Revolving Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this

Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04 Intentionally Omitted.

SECTION 2.05 Swingline Loans. (a) Subject to the terms and conditions set forth herein, the Swingline Lender agrees to make Swingline Loans in Dollars to the Borrower from time to time during the Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding \$5,000,000 or (ii) the sum of the total Revolving Credit Exposures exceeding the Aggregate Commitment; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent of such request by telephone (confirmed by telecopy), not later than 12:00 noon, New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day and may, for the avoidance of doubt, be the same Business Day as such request) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Borrower. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to the general deposit account of the Borrower with the Swingline Lender (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e), by remittance to the Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan.

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 10:00 a.m., New York City time, on any Business Day require the Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loan or Loans. Each Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Loans. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is

required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

SECTION 2.06 Letters of Credit. (a) General. Subject to the terms and conditions set forth herein, the Borrower may request the issuance of Letters of Credit denominated in Dollars as the applicant thereof for the support of its or its Subsidiaries' obligations, in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Availability Period. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. The Borrower unconditionally and irrevocably agrees that, in connection with any Letter of Credit issued for the support of any Subsidiary's obligations as provided in the first sentence of this paragraph, the Borrower will be fully responsible for the reimbursement of LC Disbursements in accordance with the terms hereof, the payment of interest thereon and the payment of fees due under Section 2.12(b) to the same extent as if it were the sole account party in respect of such Letter of Credit (the Borrower hereby irrevocably waiving any defenses that might otherwise be available to it as a guarantor or surety of the obligations of such a Subsidiary that is an account party in respect of any such Letter of Credit).

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) to the Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Issuing Bank, the Borrower also shall submit a letter of credit application on the Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the amount of the LC Exposure shall not exceed \$5,000,000 and (ii) the sum of the total Revolving Credit Exposures shall not exceed the Aggregate Commitment.

(c) Expiration Date. Each Letter of Credit shall expire (or be subject to termination by notice from the Issuing Bank to the beneficiary thereof) at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five (5) Business Days prior to the Maturity Date; provided that any Letter of Credit may contain customary automatic renewal provisions agreed upon by the Borrower and the Issuing Bank pursuant to which the expiration date of such Letter of Credit shall automatically be extended for consecutive periods of up to twelve (12) months (but not to a date later than the date set forth in clause (ii) above).

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Lender, and each Lender hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance

of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, such Lender's Applicable Percentage of each LC Disbursement made by the Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent in Dollars the amount equal to such LC Disbursement, calculated as of the date the Issuing Bank made such LC Disbursement not later than 12:00 noon, New York City time, on the Business Day immediately following the day that such LC Disbursement is made (or, if later, the Business Day immediately following the day the Borrower receives notice of such LC Disbursement); provided that, if such LC Disbursement is greater than \$1,000,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.05 that such payment be financed with an ABR Revolving Borrowing or Swingline Loan in an equivalent amount of such LC Disbursement and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing or Swingline Loan. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the Issuing Bank or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse the Issuing Bank, then to such Lenders and the Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse the Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor the Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding

sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; provided that the foregoing shall not be construed to excuse the Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by the Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Issuing Bank (as finally determined by a court of competent jurisdiction), the Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by telecopy) of such demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the Issuing Bank and the Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If the Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse or finance such LC Disbursement in full on the date such LC Disbursement is due to be reimbursed under paragraph (c) of this Section, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (e) of this Section to reimburse the Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Replacement of Issuing Bank. The Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit then outstanding and issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders with LC Exposure representing greater than 50% of the total LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders (the “LC Collateral Account”), an amount in cash equal to 105% of the amount of the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Article VII. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower’s risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Obligations. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived.

SECTION 2.07 Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.05. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower maintained with the Administrative Agent in New York City or Chicago and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the Issuing Bank. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender’s Loan included in such Borrowing.

SECTION 2.08 Interest Elections. (a) Each Revolving Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Revolving

Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Revolving Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or teletype to the Administrative Agent of a written Interest Election Request signed by the Borrower. Notwithstanding any contrary provision herein, this Section shall not be construed to permit the Borrower to elect an Interest Period for Eurodollar Loans that does not comply with Section 2.02(d).

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Revolving Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Revolving Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each

Eurodollar Revolving Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.09 Termination and Reduction of Commitments. (a) Unless previously terminated, the Commitments shall terminate on the Maturity Date.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments; provided that (i) each reduction of the Commitments shall be in an amount that is an integral multiple of \$5,000,000 and not less than \$5,000,000 and (ii) the Borrower shall not terminate or reduce the Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the sum of the Revolving Credit Exposures would exceed the Aggregate Commitment.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or other events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent; provided, however, that, for the avoidance of doubt, a reduction of the Commitments pursuant to this paragraph (c) shall not impair the Borrower's ability to request an increase in the Commitments pursuant to Section 2.20 below. Each reduction of the Commitments shall be made ratably among the Lenders in accordance with their respective Commitments.

SECTION 2.10 Repayment of Loans; Evidence of Debt. (a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan on the Maturity Date and (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of the Maturity Date and the first date after such Swingline Loan is made that is the 15th or last day of a calendar month and is at least two (2) Business Days after such Swingline Loan is made; provided that on each date that a Revolving Borrowing is made, the Borrower shall repay all Swingline Loans then outstanding.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in the form attached hereto as Exhibit I. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

SECTION 2.11 Prepayment of Loans. The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with the provisions of this Section 2.11. The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by telecopy or electronic communication, if arrangements for doing so have been approved by the Administrative Agent) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Revolving Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Revolving Borrowing, not later than 11:00 a.m., New York City time, one (1) Business Day before the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 12:00 noon, New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Revolving Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Revolving Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.13 and (ii) break funding payments pursuant to Section 2.16. If at any time the sum of the aggregate principal amount of all of the Revolving Credit Exposures exceeds the Aggregate Commitment, the Borrower shall immediately repay Borrowings or cash collateralize LC Exposure in an account with the Administrative Agent pursuant to Section 2.06(j), as applicable, in an aggregate principal amount sufficient to cause the aggregate principal amount of all Revolving Credit Exposures to be less than or equal to the Aggregate Commitment.

SECTION 2.12 Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Lender a commitment fee, which shall accrue at the Applicable Rate on the average daily amount of the Available Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which such Commitment terminates. Accrued commitment fees shall be payable in arrears on the last day of March, June, September and December of each year and on the date on which the Commitments terminate, commencing on the first such date to occur after the date hereof; provided that any commitment fees accruing after the date on which the Commitments terminate shall be payable on demand. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurodollar Revolving Loans on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Commitment terminates and the date on which

such Lender ceases to have any LC Exposure and (ii) to the Issuing Bank for its own account a fronting fee, which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) attributable to Letters of Credit issued by the Issuing Bank during the period from and including the Effective Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases to be any LC Exposure, as well as the Issuing Bank's standard and customary fees and commissions with respect to the issuance, amendment, cancellation, negotiation, transfer, presentment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third (3rd) Business Day following such last day, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Commitments terminate and any such fees accruing after the date on which the Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Bank pursuant to this paragraph shall be payable within ten (10) days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Lenders. Fees paid shall not be refundable under any circumstances.

SECTION 2.13 Interest. (a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Commitments; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Revolving Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a

leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing shall be ineffective and any such Eurodollar Borrowing shall be repaid on the last day of the then current Interest Period applicable thereto and (ii) if any Borrowing Request requests a Eurodollar Revolving Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15 Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or the Issuing Bank;

(ii) impose on any Lender or the Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting into or maintaining any Loan or of maintaining its obligation to make any such Loan or to increase the cost to such Lender, the Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, the Issuing Bank or such other Recipient hereunder, whether of principal, interest or otherwise, then the Borrower will pay to such Lender, the Issuing Bank or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, the Issuing Bank or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or the Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuing Bank's capital or on the capital of such Lender's or the Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the Issuing Bank's policies and the policies of such Lender's or the Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or the Issuing Bank setting forth in reasonable detail the basis of the calculation of the amount or amounts necessary to compensate such Lender or the Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(d) Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or the Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or the Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11 and is revoked in accordance therewith) or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

SECTION 2.17 Taxes. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by

the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable;

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of

Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to

indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 2.17, the term "Lender" includes the Issuing Bank and the term "applicable law" includes FATCA.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs. (a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to 12:00 noon, New York City time on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 10 South Dearborn Street, Chicago, Illinois 60603, except payments to be made directly to the Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) At the election of the Administrative Agent, all payments of principal, interest, LC Disbursements, fees, premiums, reimbursable expenses (including, without limitation, all reimbursement for fees and expenses pursuant to Section 9.03), and other sums payable under the Loan Documents, may be paid from the proceeds of Borrowings made hereunder whether made following a request by the Borrower pursuant to Section 2.03 or a deemed request as provided in this Section or may be deducted from any deposit account of the Borrower maintained with the Administrative Agent. The Borrower hereby irrevocably authorizes (i) the Administrative Agent to make a Borrowing for the purpose of paying each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents and agrees that all such amounts charged shall constitute Loans (including Swingline Loans) and that all such Borrowings shall be deemed to have been requested pursuant to Sections 2.03 or 2.05, as applicable and (ii) the Administrative Agent to charge any deposit account of the Borrower maintained with the Administrative Agent for each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents.

(d) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements and Swingline Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(e) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(c), 2.06(d) or (e), 2.07(b), 2.18(e) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender and for the benefit of the Administrative Agent, the Swingline Lender or the Issuing Bank to satisfy such Lender's obligations to it under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account over which the Administrative Agent shall have exclusive control as cash collateral for, and application to, any future funding obligations of such Lender under any such Section; in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.15, or the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment

(i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Sections 2.15 or 2.17) and obligations under the Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and if a Commitment is being assigned, the Issuing Bank and the Swingline Lender), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 2.20 Expansion Option. The Borrower may from time to time elect to increase the Commitments in minimum increments of \$25,000,000 so long as, after giving effect thereto, the aggregate amount of such increases does not exceed \$50,000,000. The Borrower may arrange for any such increase to be provided by one or more Lenders (each Lender so agreeing to an increase in its Commitment, an “Increasing Lender”), or by one or more new banks, financial institutions or other entities (each such new bank, financial institution or other entity, an “Augmenting Lender”; provided that no Ineligible Institution may be an Augmenting Lender), which agree to increase their existing Commitments or provide new Commitments, as the case may be; provided that (i) each Augmenting Lender, shall be subject to the approval of the Borrower and the Administrative Agent (such approvals not to be unreasonably withheld, delayed or conditioned) and (ii) (x) in the case of an Increasing Lender, the Borrower and such Increasing Lender execute an agreement substantially in the form of Exhibit C hereto, and (y) in the case of an Augmenting Lender, the Borrower and such Augmenting Lender execute an agreement substantially in the form of Exhibit D hereto. No consent of any Lender (other than the Lenders participating in the increase) shall be required for any increase in Commitments pursuant to this Section 2.20. Increases and new Commitments created pursuant to this Section 2.20 shall become effective on the date agreed by the Borrower, the Administrative Agent and the relevant Increasing Lenders or Augmenting Lenders, and the Administrative Agent shall notify each Lender thereof. Notwithstanding the foregoing, no increase in the Commitments (or in the Commitment of any Lender) shall become effective under this paragraph unless, (i) on the proposed date of the effectiveness of such increase, (A) the conditions set forth in paragraphs (a) and (b) of Section 4.02 shall be satisfied or waived by the Required Lenders and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Borrower and (B) the Borrower shall be in compliance (on a pro forma basis) with the covenants contained in Section 6.13 and (ii) the Administrative Agent shall have received documents consistent with those delivered on the Effective Date as to the organizational power and authority of the Borrower to borrow hereunder after giving effect

to such increase. On the effective date of any increase in the Commitments, (i) each relevant Increasing Lender and Augmenting Lender shall make available to the Administrative Agent such amounts in immediately available funds as the Administrative Agent shall determine, for the benefit of the other Lenders, as being required in order to cause, after giving effect to such increase and the use of such amounts to make payments to such other Lenders, each Lender's portion of the outstanding Revolving Loans of all the Lenders to equal its Applicable Percentage of such outstanding Revolving Loans, and (ii) the Borrower shall be deemed to have repaid and reborrowed all outstanding Revolving Loans as of the date of any increase in the Commitments (with such reborrowing to consist of the Types of Revolving Loans, with related Interest Periods if applicable, specified in a notice delivered by the Borrower, in accordance with the requirements of Section 2.03). The deemed payments made pursuant to clause (ii) of the immediately preceding sentence shall be accompanied by payment of all accrued interest on the amount prepaid and, in respect of each Eurodollar Loan, shall be subject to indemnification by the Borrower pursuant to the provisions of Section 2.16 if the deemed payment occurs other than on the last day of the related Interest Periods. Nothing contained in this Section 2.20 shall constitute, or otherwise be deemed to be, a commitment on the part of any Lender to increase its Commitment hereunder at any time.

SECTION 2.21 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

- (a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);
- (b) the Commitment and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided, that, except as otherwise provided in Section 9.02, this clause (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender directly affected thereby;
- (c) if any Swingline Exposure or LC Exposure exists at the time such Lender becomes a Defaulting Lender then:
 - (i) all or any part of the Swingline Exposure and LC Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent that (x) no Default or Event of Default shall have occurred and be continuing at such time and (y) the sum of all non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's Swingline Exposure and LC Exposure does not exceed the total of all non-Defaulting Lenders' Commitments;
 - (ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one (1) Business Day following notice by the Administrative Agent (x) first, prepay such Swingline Exposure and (y) second, cash collateralize for the benefit of the Issuing Bank only the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;
 - (iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such

Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.12(a) and Section 2.12(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Bank or any other Lender hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Bank until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loan and the Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless it is reasonably satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.21(c), and participating interests in any such newly made Swingline Loan or any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.21(c)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event with respect to a Lender Parent shall occur following the date hereof and for so long as such event shall continue or (ii) the Swingline Lender or the Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Swingline Lender shall not be required to fund any Swingline Loan and the Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Swingline Lender or the Issuing Bank, as the case may be, shall have entered into arrangements with the Borrower or such Lender (which arrangements may include, without limitation, such reallocation or collateralization as contemplated by subsection (d) above), reasonably satisfactory to the Swingline Lender or the Issuing Bank, as the case may be, to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Borrower, the Swingline Lender and the Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

ARTICLE III

Representations and Warranties

The Borrower represents and warrants to the Lenders that:

SECTION 3.01 Organization; Powers; Subsidiaries. Each of the Borrower and its Subsidiaries is duly organized, validly existing and (to the extent the concept is applicable in such jurisdiction) in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now conducted and, except where the failure to do so,

individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and (to the extent the concept is applicable in such jurisdiction) is in good standing in, every jurisdiction where such qualification is required. Schedule 3.01 hereto (as supplemented from time to time) identifies each Subsidiary, noting whether such Subsidiary is a Subsidiary Guarantor, the jurisdiction of its incorporation or organization, as the case may be, the percentage of issued and outstanding shares of each class of its capital stock or other equity interests owned by the Borrower and the other Subsidiaries and, if such percentage is not 100% (excluding directors' qualifying shares as required by law), a description of each class issued and outstanding. All of the outstanding shares of capital stock and other equity interests of each Subsidiary are validly issued and outstanding and fully paid and nonassessable and all such shares and other equity interests indicated on Schedule 3.01 as owned by the Borrower or another Subsidiary are owned, beneficially and of record, except as provided in Schedule 3.01, by the Borrower or any Subsidiary free and clear of all Liens. There are no outstanding commitments or other obligations of the Borrower or any Subsidiary to issue, and no options, warrants or other rights of any Person to acquire, any shares of any class of capital stock or other equity interests of any Subsidiary.

SECTION 3.02 Authorization; Enforceability. The Transactions are within each Loan Party's organizational powers and have been duly authorized by all necessary organizational actions and, if required, actions by equity holders. The Loan Documents to which each Loan Party is a party have been duly executed and delivered by such Loan Party and constitute a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03 Governmental Approvals; No Conflicts. The execution, delivery and performance by each Loan Party of the Loan Documents to which such Loan Party is a party (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect, (b) will not violate any applicable law or regulation or the charter, by-laws or other organizational documents of the Borrower or any of its Subsidiaries or any order of any Governmental Authority, (c) will not violate in any material respect or result in a default under any indenture, material agreement or other material instrument binding upon the Borrower or any of its Subsidiaries or its assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any of its Subsidiaries, and (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any of its Subsidiaries.

SECTION 3.04 Financial Condition; No Material Adverse Change. (a) The Borrower has heretofore furnished to the Lenders its consolidated balance sheet and statements of income, stockholders equity and cash flows (i) as of and for the fiscal year ended December 31, 2012 reported on by Ernst & Young LLP, independent public accountants, and (ii) as of and for the fiscal quarter and the portion of the fiscal year ended June 30, 2013, certified by its chief financial officer. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Borrower and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above.

(b) Since December 31, 2012, there has been no material adverse change in the business, assets, operations or financial condition of the Borrower and its Subsidiaries, taken as a whole.

SECTION 3.05 Properties. (a) Each of the Borrower and its Subsidiaries has good title to, or valid leasehold interests in, all its real and personal property material to its business, except for

minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes.

(b) Each of the Borrower and its Subsidiaries owns, or is licensed to use, all trademarks, trade names, copyrights, patents and other intellectual property material to its business, and, to the knowledge of the Borrower, the use thereof by the Borrower and its Subsidiaries does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.06 Litigation, Environmental and Labor Matters. (a) There are no actions, suits, proceedings or, to the Borrower's knowledge, investigations by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against or affecting the Borrower or any of its Subsidiaries (i) as to which there is a reasonable probability of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve this Agreement or the Transactions.

(b) Except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any of its Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received written notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

(c) There are no strikes, lockouts or slowdowns against the Borrower or any of its Subsidiaries pending or, to their knowledge, threatened in writing, except to the extent such strikes, lockouts or slowdowns, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. The hours worked by and payments made to employees of the Borrower and its Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law relating to such matters, except to the extent such violations, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. All material payments due from the Borrower or any of its Subsidiaries, or for which any claim may be made against the Borrower or any of its Subsidiaries, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as liabilities on the books of the Borrower or such Subsidiary, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement under which the Borrower or any of its Subsidiaries is bound.

SECTION 3.07 Compliance with Laws and Agreements. Each of the Borrower and its Subsidiaries is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.08 Investment Company Status. Neither the Borrower nor any of its Subsidiaries is an "investment company" as defined in, or subject to regulation under, the Investment Company Act of 1940.

SECTION 3.09 Taxes. Each of the Borrower and its Subsidiaries has timely filed or caused to be filed all federal Tax returns and all other material Tax returns and reports required to have

been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or such Subsidiary, as applicable, has set aside on its books adequate reserves or (b) to the extent that the failure to do so could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.10 ERISA. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect.

SECTION 3.11 Disclosure. The Borrower has disclosed to the Lenders all material agreements, instruments and corporate or other restrictions to which it or any of its Subsidiaries is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. For the purposes of this Section 3.11, all materials publicly filed by the Borrower with the SEC shall be deemed to be disclosed to the Lenders. Neither the Lender Presentation nor any of the other written reports, financial statements, certificates or other information furnished by or on behalf of the Borrower or any Subsidiary to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or delivered hereunder (as modified or supplemented by all other information so furnished and all material publicly filed by the Borrower with the SEC) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that, with respect to forecasts or projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time (it being understood that forecasts and projections are subject to contingencies and no assurances can be given that any forecast or projection will be realized).

SECTION 3.12 Federal Reserve Regulations. No part of the proceeds of any Loan have been used or will be used, whether directly or indirectly, for any purpose that entails a violation of any of the Regulations of the Board, including Regulations T, U and X.

SECTION 3.13 Liens. There are no Liens on any of the real or personal properties of the Borrower or any Subsidiary except for Liens permitted by Section 6.02.

SECTION 3.14 No Default. No Default or Event of Default has occurred and is continuing.

SECTION 3.15 No Burdensome Restrictions. The Borrower is not subject to any Burdensome Restrictions except Burdensome Restrictions permitted under Section 6.08.

SECTION 3.16 Sanctions Laws and Regulations. The Borrower represents on a continuing basis that :

(a) The Borrower and to its knowledge its Affiliates and their respective directors, officers, employees, and agents have conducted their business in compliance with Anti-Corruption Laws and have instituted and maintained policies and procedures designed to promote and achieve compliance with such laws.

(b) None of the Borrower or to its knowledge its Affiliates or their respective directors, officers, employees, agents or representatives acting or benefiting in any capacity in connection with this Agreement (i) is a Designated Person; (ii) is a Person that is owned or controlled by a Designated Person; (iii) is located, organized or resident in a Sanctioned Country; or (iv) has directly or

indirectly engaged in, or is now directly or indirectly engaged in, any dealings or transactions (1) with any Designated Person, (2) in any Sanctioned Country, or (3) otherwise in violation of Sanctions.

ARTICLE IV

Conditions

SECTION 4.01 Effective Date. The obligations of the Lenders to make Loans and of the Issuing Bank to issue Letters of Credit hereunder shall not become effective until the date on which each of the following conditions is satisfied (or waived in accordance with Section 9.02):

(a) The Administrative Agent (or its counsel) shall have received (i) from each party hereto either (A) a counterpart of this Agreement signed on behalf of such party or (B) written evidence satisfactory to the Administrative Agent (which may include telecopy or electronic transmission of a signed signature page of this Agreement) that such party has signed a counterpart of this Agreement and (ii) duly executed copies of the Loan Documents and such other legal opinions, certificates, documents, instruments and agreements as the Administrative Agent shall reasonably request in connection with the Transactions, all in form and substance satisfactory to the Administrative Agent and its counsel and as further described in the list of closing documents attached as Exhibit E.

(b) The Administrative Agent shall have received a favorable written opinion (addressed to the Administrative Agent and the Lenders and dated the Effective Date) of Gunderson Dettmer Stough Villeneuve Franklin & Hachigian, LLP, counsel for the Loan Parties, substantially in the form of Exhibit B, and covering such other matters relating to the Loan Parties, the Loan Documents or the Transactions as the Administrative Agent shall reasonably request. The Borrower hereby requests such counsel to deliver such opinion.

(c) The Administrative Agent shall have received such documents and certificates as the Administrative Agent or its counsel may reasonably request relating to the organization, existence and (to the extent the concept is applicable in the relevant jurisdiction of formation) good standing of the initial Loan Parties, the authorization of the Transactions and any other legal matters relating to such Loan Parties, the Loan Documents or the Transactions, all in form and substance satisfactory to the Administrative Agent and its counsel and as further described in the list of closing documents attached as Exhibit E.

(d) The Administrative Agent shall have received a certificate, dated the Effective Date and signed by the President, a Vice President or a Financial Officer of the Borrower, confirming compliance with the conditions set forth in paragraphs (a) and (b) of Section 4.02.

(e) The Administrative Agent shall have received all fees and other amounts due and payable on or prior to the Effective Date, including, to the extent invoiced, reimbursement or payment of all reasonable out-of-pocket expenses required to be reimbursed or paid by the Borrower hereunder.

The Administrative Agent shall notify the Borrower and the Lenders of the Effective Date, and such notice shall be conclusive and binding.

SECTION 4.02 Each Credit Event. The obligation of each Lender to make a Loan on the occasion of any Borrowing, and of the Issuing Bank to issue, amend, renew or extend any Letter of Credit, is subject to the satisfaction of the following conditions:

SECTION 6.08 Restrictive Agreements. The Borrower will not, and will not permit any of its Subsidiaries to, directly or indirectly, enter into, incur or permit to exist any agreement or other arrangement that prohibits, restricts or imposes any condition upon (a) the ability of the Borrower or any Subsidiary to create, incur or permit to exist any Lien upon any of its property or assets, or (b) the ability of any Subsidiary to pay dividends or other distributions with respect to holders of its Equity Interests or to make or repay loans or advances to the Borrower or any other Subsidiary or to Guarantee Indebtedness of the Borrower or any other Subsidiary; provided that (i) the foregoing shall not apply to restrictions and conditions imposed by law or by any Loan Document, (ii) the foregoing shall not apply to customary

restrictions and conditions contained in agreements relating to the sale of a Subsidiary or assets pending such sale, provided such restrictions and conditions apply only to the Subsidiary that is, or the assets that are, to be sold and such sale is permitted hereunder, (iii) clause (a) of the foregoing shall not apply to restrictions or conditions imposed by any agreement relating to secured Indebtedness permitted by this Agreement if such restrictions or conditions apply only to the property or assets securing such Indebtedness, (iv) clause (a) of the foregoing shall not apply to customary provisions in leases, licenses and other contracts restricting the assignment thereof, (v) the foregoing shall not apply to restrictions and conditions imposed by agreements relating to Indebtedness of any Subsidiary in existence at the time such Subsidiary became a Subsidiary and any amendments or modifications thereof that do not materially expand the scope of any such restriction or condition taken as a whole, provided that such restrictions and conditions apply only to such Subsidiary, (vi) the foregoing shall not apply to customary net worth provisions or similar financial maintenance provisions contained in real property leases entered into by a Subsidiary, so long as the Borrower has determined in good faith that such net worth provisions could not reasonably be expected to impair the ability of the Borrower and the Subsidiaries to meet their ongoing obligations under the Loan Documents and (vii) the foregoing shall not apply to restrictions under any arrangement with any Governmental Authority imposed on any Foreign Subsidiary in connection with governmental grants, financial aid, tax holidays or similar benefits or economic interests.

SECTION 6.09 Subordinated Indebtedness and Amendments to Subordinated Indebtedness Documents. The Borrower will not, and will not permit any Subsidiary to, directly or indirectly voluntarily prepay, defease or in substance defease, purchase, redeem, retire or otherwise acquire, any Subordinated Indebtedness or any Indebtedness from time to time outstanding under the Subordinated Indebtedness Documents. Furthermore, the Borrower will not, and will not permit any Subsidiary to, amend the Subordinated Indebtedness Documents or any document, agreement or instrument evidencing any Indebtedness incurred pursuant to the Subordinated Indebtedness Documents (or any replacements, substitutions, extensions or renewals thereof) or pursuant to which such Indebtedness is issued where such amendment, modification or supplement provides for the following or which has any of the following effects:

- (a) increases the overall principal amount of any such Indebtedness or increases the amount of any single scheduled installment of principal or interest;
- (b) shortens or accelerates the date upon which any installment of principal or interest becomes due or adds any additional mandatory redemption provisions;
- (c) shortens the final maturity date of such Indebtedness or otherwise accelerates the amortization schedule with respect to such Indebtedness;
- (d) increases the rate of interest accruing on such Indebtedness;
- (e) provides for the payment of additional fees or increases existing fees;
- (f) amends or modifies any financial or negative covenant (or covenant which prohibits or restricts the Borrower or any Subsidiary from taking certain actions) in a manner which is more onerous or more restrictive in any material respect to the Borrower or such Subsidiary or which is otherwise materially adverse to the Borrower, any Subsidiary and/or the Lenders or, in the case of any such covenant, which places material additional restrictions on the Borrower or such Subsidiary or which requires the Borrower or such Subsidiary to comply with more restrictive financial ratios or which requires the Borrower to better its financial performance, in each case from that set forth in the existing applicable covenants in the Subordinated Indebtedness Documents or the applicable covenants in this Agreement; or

(g) amends, modifies or adds any affirmative covenant in a manner which (i) when taken as a whole, is materially adverse to the Borrower, any Subsidiary and/or the Lenders or (ii) is more onerous than the existing applicable covenant in the Subordinated Indebtedness Documents or the applicable covenant in this Agreement.

SECTION 6.10 Sale and Leaseback Transactions. The Borrower shall not, nor shall it permit any Subsidiary to, enter into any Sale and Leaseback Transaction.

SECTION 6.11 Capital Expenditures. (a) The Borrower will not, nor will it permit any Subsidiary to, expend, or be committed to expend, in excess of the Maximum CapEx Amount (in the aggregate) for Consolidated Capital Expenditures during any fiscal year of the Borrower. As used herein, "Maximum CapEx Amount" means (i) for the 2013 fiscal year of the Borrower, an amount equal to 20% of the consolidated revenues of the Borrower and its Subsidiaries for such fiscal year and (ii) for any other fiscal year of the Borrower, an amount equal to 15% of the consolidated revenues of the Borrower and its Subsidiaries for such fiscal year; provided that the Maximum CapEx Amount in respect of any fiscal year shall be increased by the unused amount of Consolidated Capital Expenditures that were permitted to be made during the immediately preceding fiscal year pursuant to this Section 6.11(a), without giving effect to any carryover amount (any such amount carried over for any fiscal year, the "Carryover CapEx Amount").

(b) Notwithstanding the foregoing, the Borrower and its Subsidiaries shall be permitted to expend, and be committed to expend, an additional \$40,000,000 for Consolidated Capital Expenditures during the term of this Agreement in excess of the aggregate amount of Consolidated Capital Expenditures permitted to be made pursuant to Section 6.11(a) above (the "New Program CapEx Amount") so long as (i) such Consolidated Capital Expenditures are made in connection with a new business opportunity with a customer of the Borrower that has committed to a material minimum revenue arrangement with the Borrower that is, in the reasonable good faith judgment of a Financial Officer, commensurate with the amount of Consolidated Capital Expenditures necessary to implement such opportunity and (ii) a Financial Officer of the Borrower shall notify the Administrative Agent of any such new business opportunity described in the foregoing clause (i), and the estimated amount of the New Program CapEx Amount to be applied in respect thereof, promptly after entering into any agreement to implement such opportunity.

(c) Consolidated Capital Expenditures in any fiscal year shall be deemed to use *first*, the amount for such fiscal year set forth in Section 6.11(a), *second*, any Carryover CapEx Amount applied to such fiscal year, and, *third*, any New Program CapEx Amount applied to such fiscal year.

SECTION 6.12 Sanctions Laws and Regulations.

(a) The Borrower shall not, and shall ensure that none of its Affiliates will, directly or indirectly use the proceeds of the Loans (i) for any purpose which would breach the U.K. Bribery Act 2010, the United States Foreign Corrupt Practices Act of 1977 or other similar legislation in other jurisdictions; (ii) to fund, finance or facilitate any activities, business or transaction of or with any Designated Person or in any Sanctioned Country, or otherwise in violation of Sanctions, as such Sanctions Lists or Sanctions are in effect from time to time; or (iii) in any other manner that will result in the violation of any applicable Sanctions by any party to this Agreement.

(b) The Borrower shall not, and shall ensure that none of its Affiliates will, use funds or assets obtained directly or indirectly from transactions with or otherwise relating to (i) Designated Persons; or (ii) any Sanctioned Country, to pay or repay any amount owing to the Lenders under this Agreement.

(c) The Borrower shall, and shall ensure that each of its affiliated companies will (i) conduct its business in compliance with Anti-Corruption Laws; (ii) maintain policies and procedures designed to promote and achieve compliance with Anti-Corruption Laws; and (iii) have appropriate controls and safeguards in place designed to prevent any proceeds of any Loans from being used contrary to the representations and undertakings set forth herein.

(d) The Borrower shall, and shall ensure that each of its Affiliates will, comply in all material respects with all foreign and domestic laws, rules and regulations (including the Patriot Act, foreign exchange control regulations, foreign asset control regulations and other trade-related regulations) now or hereafter applicable to this Agreement, the transactions underlying this Agreement or the Borrower's execution, delivery and performance of this Agreement.

SECTION 6.13 Financial Covenants.

(a) Maximum Leverage Ratio. The Borrower will not permit the ratio (the "Leverage Ratio"), determined as of the end of each of its fiscal quarters ending on and after December 31, 2013, of (i) Consolidated Total Indebtedness to (ii) Consolidated Adjusted EBITDA for the period of four (4) consecutive fiscal quarters ending with the end of such fiscal quarter, all calculated for the Borrower and its Subsidiaries on a consolidated basis, to be greater than 2.50 to 1.00.

(b) Minimum Interest Coverage Ratio. The Borrower will not permit the ratio (the "Interest Coverage Ratio"), determined as of the end of each of its fiscal quarters ending on and after December 31, 2013, of (i) Consolidated Adjusted EBITDA to (ii) Consolidated Interest Expense, in each case for the period of four (4) consecutive fiscal quarters ending with the end of such fiscal quarter, all calculated for the Borrower and its Subsidiaries on a consolidated basis, to be less than 3.00 to 1.00.

ARTICLE VII

Events of Default

If any of the following events ("Events of Default") shall occur:

(a) the Borrower shall fail to pay any principal of any Loan or any reimbursement obligation in respect of any LC Disbursement when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or otherwise;

(b) the Borrower shall fail to pay any interest on any Loan or any fee or any other amount (other than an amount referred to in clause (a) of this Article) payable under this Agreement or any other Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of three (3) Business Days;

(c) any representation or warranty made or deemed made by or on behalf of the Borrower or any Subsidiary in or in connection with this Agreement or any other Loan Document or any amendment or modification hereof or thereof or waiver hereunder or thereunder, or in any written report, certificate, financial statement or other document furnished pursuant to or in connection with this Agreement or any other Loan Document or any amendment or modification thereof or waiver thereunder, shall prove to have been incorrect in any material respect when made or deemed made;

(e) the Borrower or any Subsidiary Guarantor, as applicable, shall fail to observe or perform any covenant, condition or agreement contained in this Agreement (other than those specified in clause (a), (b) or (d) of this Article) or any other Loan Document, and such failure shall continue unremedied for a period of thirty (30) days after notice thereof from the Administrative Agent to the Borrower (which notice will be given at the request of any Lender);

(f) the Borrower or any Subsidiary shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Indebtedness, when and as the same shall become due and payable after giving effect to any applicable grace periods;

(g) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (with or without the giving of notice, the lapse of time or both) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (g) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrower or any Subsidiary or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) the Borrower or any Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (h) of this Article, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any Subsidiary or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing;

(j) the Borrower or any Subsidiary shall become unable, admit in writing its inability or fail generally to pay its debts as they become due;

(k) one or more judgments for the payment of money in an aggregate amount in excess of \$10,000,000 (to the extent not covered by an unaffiliated creditworthy insurer that has not denied coverage) shall be rendered against the Borrower, any Subsidiary or any combination thereof and the same shall remain undischarged for a period of thirty (30) consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor holding a judgment in excess of \$10,000,000 to attach or levy upon any assets of the Borrower or any Subsidiary to enforce any such judgment;

(l) an ERISA Event shall have occurred that, in the opinion of the Required Lenders, when taken together with all other ERISA Events that have occurred, could reasonably be expected to result in a Material Adverse Effect;

(m) a Change in Control shall occur;

(n) the occurrence of any “default”, as defined in any Loan Document (other than this Agreement) or the material breach of any of the terms or provisions of any Loan Document (other than this Agreement), which default or material breach continues beyond any period of grace therein provided; or

(o) any material provision of any Loan Document for any reason ceases to be valid, binding and enforceable in accordance with its terms (or the Borrower or any Subsidiary shall challenge the enforceability of any Loan Document or shall assert in writing, or engage in any action or inaction based on any such assertion, that any provision of any of the Loan Documents has ceased to be or otherwise is not valid, binding and enforceable in accordance with its terms);

then, and in every such event (other than an event with respect to the Borrower described in clause (h) or (i) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other Obligations of the Borrower accrued hereunder and under the other Loan Documents, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to the Borrower described in clause (h) or (i) of this Article, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other Obligations accrued hereunder and under the other Loan Documents, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity.

ARTICLE VIII

The Administrative Agent

Each of the Lenders and the Issuing Bank hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.

The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has

occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02), and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by notifying the Lenders, the Issuing Bank and the Borrower. Upon any such resignation, the Required Lenders shall have the right to appoint a successor, subject to the Borrower's approval (not to be unreasonably withheld or delayed; provided that no such approval shall be required if an Event of Default has occurred and is continuing). If no successor shall have (i) been so appointed by the Required Lenders (and approved by the Borrower if so required) and (ii) accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Bank, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring

Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent

Each Lender acknowledges and agrees that the extensions of credit made hereunder are commercial loans and letters of credit and not investments in a business enterprise or securities. Each Lender further represents that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender shall, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any related agreement or any document furnished hereunder or thereunder and in deciding whether or to the extent to which it will continue as a lender or assign or otherwise transfer its rights, interests and obligations hereunder.

None of the Lenders, if any, identified in this Agreement as a Syndication Agent or Co-Documentation Agent shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of such Lenders shall have or be deemed to have a fiduciary relationship with any Lender. Each Lender hereby makes the same acknowledgments with respect to the relevant Lenders in their respective capacities as Syndication Agent or Co-Documentation Agents, as applicable, as it makes with respect to the Administrative Agent in the preceding paragraph.

The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Administrative Agent) authorized to act for, any other Lender. The Administrative Agent shall have the exclusive right on behalf of the Lenders to enforce the payment of the principal of and interest on any Loan after the date such principal or interest has become due and payable pursuant to the terms of this Agreement.

ARTICLE IX Miscellaneous

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through Electronic Systems, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Lenders and the Issuing Bank hereunder may be delivered or furnished by using Electronic Systems pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

(d) Electronic Systems.

(i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Issuing Bank and the

other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System.

(ii) Any Electronic System used by the Administrative Agent is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to any Loan Party, any Lender, the Issuing Bank or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party’s or the Administrative Agent’s transmission of Communications through an Electronic System. “Communications” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or the Issuing Bank by means of electronic communications pursuant to this Section, including through an Electronic System.

SECTION 9.02 Waivers; Amendments. (a) No failure or delay by the Administrative Agent, the Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or the Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly affected thereby, (iii) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby, (iv) change Section 2.18(b) or (d) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender, (v) change any of the provisions of this Section or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender or (vi) release all or substantially all of the

Subsidiary Guarantors from their obligations under the Subsidiary Guaranty, without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, the Issuing Bank or the Swingline Lender, as the case may be (it being understood that any change to Section 2.21 shall require the consent of the Administrative Agent, the Issuing Bank and the Swingline Lender). Notwithstanding the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be directly affected by such amendment, waiver or other modification.

(c) Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more credit facilities to this Agreement and to permit extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Revolving Loans and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and Lenders.

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender directly affected thereby,” the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Borrower may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Borrower and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, and (ii) the Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrower hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

(e) Notwithstanding anything to the contrary herein the Administrative Agent may, with the consent of the Borrower only, amend, modify or supplement this Agreement or any of the other Loan Documents to cure any ambiguity, omission, mistake, defect or inconsistency.

SECTION 9.03 Expenses; Indemnity; Damage Waiver. (a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and its Affiliates, including the reasonable and documented fees, charges and disbursements of one primary counsel (and one local counsel in each applicable jurisdiction) for the Administrative Agent, in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facilities provided for herein, the preparation and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand

for payment thereunder and (iii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Issuing Bank or any Lender, including the reasonable and documented fees, charges and disbursements of any counsel for the Administrative Agent, the Issuing Bank or any Lender, in connection with the enforcement or protection of its rights in connection with this Agreement and any other Loan Document, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Borrower shall indemnify the Administrative Agent, the Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related reasonable and documented out-of-pocket expenses, including the reasonable and documented out-of-pocket fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any of its Subsidiaries, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (i) the gross negligence or willful misconduct of such Indemnitee or (ii) the material breach in bad faith by such Indemnitee of its express obligations under this Agreement pursuant to a claim initiated by the Borrower. This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, the Issuing Bank or the Swingline Lender under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent, the Issuing Bank or the Swingline Lender, as the case may be, such Lender’s Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood that the Borrower’s failure to pay any such amount shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the Issuing Bank or the Swingline Lender in its capacity as such.

(d) To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet) other than damages that are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee, or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument

contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

- (e) All amounts due under this Section shall be payable not later than fifteen (15) days after written demand therefor.

SECTION 9.04 Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower (provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received written notice thereof); provided, further, that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee;

(B) the Administrative Agent;

(C) the Issuing Bank; and

(D) the Swingline Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this clause shall not be construed to prohibit the assignment of

a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500, such fee to be paid by either the assigning Lender or the assignee Lender or shared between such Lenders; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its affiliates and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

For the purposes of this Section 9.04(b), the term "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

"Ineligible Institution" means (a) a natural person, (b) a Defaulting Lender, (c) the Borrower, any of its Subsidiaries or any of its Affiliates, or (d) a company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent, the Issuing Bank and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(c), 2.06(d) or (e), 2.07(b), 2.18(e) or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of the Borrower, the Administrative Agent, the Issuing Bank or the Swingline Lender, sell participations to one or more banks or other entities (a "Participant"), other than an Ineligible Institution, in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrower, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding (unless such Letter of Credit has been collateralized on substantially the terms set forth in Section 2.06(j)) and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 9.06 Counterparts; Integration; Effectiveness; Electronic Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, e-mailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.07 Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final and in whatever currency denominated) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower or any Subsidiary Guarantor against any of and all of the Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmatured. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court for the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality. Each of the Administrative Agent, the Issuing Bank and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the prior written consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, the Issuing Bank or any Lender on a nonconfidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower (or its Subsidiaries) or their respective business, other than any such information that is available to the Administrative Agent, the Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by the Borrower; provided that, in the case of information received from the Borrower after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THIS SECTION 9.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 USA PATRIOT Act. Each Lender that is subject to the requirements of the Patriot Act hereby notifies each Loan Party that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the Patriot Act.

SECTION 9.14 Releases of Subsidiary Guarantors. (a) A Subsidiary Guarantor shall automatically be released from its obligations under the Subsidiary Guaranty upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Guarantor ceases to be a Subsidiary; provided that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise. In connection with any termination or release pursuant to this Section, the Administrative Agent shall (and is hereby irrevocably authorized by each Lender to) execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent.

(b) Further, the Administrative Agent may (and is hereby irrevocably authorized by each Lender to), upon the request of the Borrower, release any Subsidiary Guarantor from its obligations under the Subsidiary Guaranty if such Subsidiary Guarantor is no longer a Subsidiary or becomes an Affected Foreign Subsidiary.

(c) At such time as the principal and interest on the Loans, all LC Disbursements, the fees, expenses and other amounts payable under the Loan Documents and the other Obligations (other than obligations under any Swap Agreement or any Banking Services Agreement, and other Obligations expressly stated to survive such payment and termination) shall have been paid in full in cash, the Commitments shall have been terminated and no Letters of Credit shall be outstanding, the Subsidiary Guaranty and all obligations (other than those expressly stated to survive such termination) of each Subsidiary Guarantor thereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any Person.

SECTION 9.15 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Lenders and their Affiliates, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of

evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Lenders and their Affiliates is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person and (B) no Lender or any of its Affiliates has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except, in the case of a Lender, those obligations expressly set forth herein and in the other Loan Documents; and (iii) each of the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and no Lender or any of its Affiliates has any obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against each of the Lenders and their Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

EXHIBIT F

FORM OF SUBSIDIARY GUARANTY

GUARANTY

THIS GUARANTY (as amended, restated, supplemented or otherwise modified from time to time, this “Guaranty”) is made as of [], 2013, by and among each of the undersigned (the “Initial Guarantors” and along with any additional Subsidiaries of the Borrower which become parties to this Guaranty by executing a supplement hereto in the form attached as Annex I, the “Guarantors”) in favor of the Administrative Agent, for the ratable benefit of the Holders of Guaranteed Obligations (as defined below), under the Credit Agreement referred to below.

WITNESSETH

WHEREAS, Synchronoss Technologies, Inc., a Delaware corporation (the “Borrower”), the institutions from time to time parties thereto as lenders (the “Lenders”), and JPMorgan Chase Bank, N.A., in its capacity as administrative agent (the “Administrative Agent”), have entered into a certain Credit Agreement dated as of September 27, 2013 (as the same may be amended, modified, supplemented and/or restated, and as in effect from time to time, the “Credit Agreement”), providing, subject to the terms and conditions thereof, for extensions of credit and other financial accommodations to be made by the Lenders to the Borrower;

WHEREAS, it is a condition precedent to the extensions of credit by the Lenders under the Credit Agreement that each of the Guarantors (constituting all of the Subsidiaries of the Borrower required to execute this Guaranty pursuant to Section 5.09 of the Credit Agreement) execute and deliver this Guaranty, whereby each of the Guarantors shall guarantee the payment when due of all Obligations; and

WHEREAS, in consideration of the direct and indirect financial and other support that the Borrower has provided, and such direct and indirect financial and other support as the Borrower may in the future provide, to the Guarantors, and in order to induce the Lenders and the Administrative Agent to enter into the Credit Agreement, each of the Guarantors is willing to guarantee the Obligations of the Borrower;

NOW, THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Definitions. Terms defined in the Credit Agreement and not otherwise defined herein have, as used herein, the respective meanings provided for therein.

SECTION 2. Representations, Warranties and Covenants. Each of the Guarantors represents and warrants (which representations and warranties shall be deemed to have been renewed at the time of the making, conversion or continuation of any Loan or issuance, amendment, renewal or extension of any Letter of Credit) that:

(A) It is a corporation, partnership or limited liability company duly and properly incorporated or organized, as the case may be, validly existing and (to the extent such concept applies to such entity) in good standing under the laws of its jurisdiction of incorporation, organization or formation and has all requisite authority to conduct its business in each

jurisdiction in which its business is conducted, except to the extent that the failure to have such authority could not reasonably be expected to have a Material Adverse Effect.

(B) It (to the extent applicable) has the requisite power and authority and legal right to execute and deliver this Guaranty and to perform its obligations hereunder. The execution and delivery by each Guarantor of this Guaranty and the performance by each of its obligations hereunder have been duly authorized by proper proceedings, and this Guaranty constitutes a legal, valid and binding obligation of such Guarantor, respectively, enforceable against such Guarantor, respectively, in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally.

(C) Neither the execution and delivery by it of this Guaranty, nor the consummation by it of the transactions herein contemplated, nor compliance by it with the provisions hereof will (i) violate any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on it or its articles or certificate of incorporation (or equivalent charter documents), limited liability company or partnership agreement, certificate of partnership, articles or certificate of organization, by-laws, or operating agreement or other management agreement, as the case may be, or result in a default under any indenture, material instrument or material agreement to which the Borrower or any of its Subsidiaries is a party or is subject, or by which it, or its property, is bound, or (ii) result in or require the creation or imposition of any Lien in, of or on its property pursuant to the terms of any such indenture, material instrument or material agreement (other than any Loan Document). No order, consent, adjudication, approval, license, authorization, or validation of, or filing, recording or registration with, or exemption by, or other action in respect of any governmental or public body or authority, or any subdivision thereof, which has not been obtained by it, is required to be obtained by it in connection with the execution, delivery and performance by it of, or the legality, validity, binding effect or enforceability against it of, this Guaranty, except such as have been obtained or made and are in full force and effect.

In addition to the foregoing, each of the Guarantors covenants that, so long as any Lender has any Commitment outstanding under the Credit Agreement or any amount payable under the Credit Agreement or any other Guaranteed Obligations shall remain unpaid, it will, and, if necessary, will enable the Borrower to, fully comply with those covenants and agreements of the Borrower applicable to such Guarantor set forth in the Credit Agreement.

SECTION 3. The Guaranty. Each of the Guarantors hereby unconditionally guarantees, jointly with the other Guarantors and severally, the full and punctual payment and performance when due (whether at stated maturity, upon acceleration or otherwise) of the Obligations, including, without limitation, (i) the principal of and interest on each Loan made to the Borrower pursuant to the Credit Agreement, (ii) any obligations of the Borrower to reimburse LC Disbursements ("Reimbursement Obligations"), (iii) all obligations of the Borrower owing to any Lender or any affiliate of any Lender under any Swap Agreement or Banking Services Agreement, (iv) all other amounts payable by the Borrower or any of its Subsidiaries under the Credit Agreement, any Swap Agreement, any Banking Services Agreement and the other Loan Documents and (v) the punctual and faithful performance, keeping, observance, and fulfillment by the Borrower of all of the agreements, conditions, covenants, and obligations of the Borrower contained in the Loan Documents (all of the foregoing being referred to collectively as the "Guaranteed Obligations" and the holders from time to time of the Guaranteed Obligations being referred to collectively as the "Holders of Guaranteed Obligations"). Upon (x) the failure by the Borrower or any of its Affiliates, as applicable, to pay punctually any such amount or perform such obligation, and (y) such failure continuing beyond any applicable grace or notice and cure period, each of the Guarantors agrees that it shall forthwith on demand pay such amount or perform such obligation at the place and in the manner specified in the Credit Agreement, any Swap Agreement,

any Banking Services Agreement or the relevant Loan Document, as the case may be. Each of the Guarantors hereby agrees that this Guaranty is an absolute, irrevocable and unconditional guaranty of payment and is not a guaranty of collection.

Each of the Guarantors hereby irrevocably and unconditionally agrees, jointly and severally with the other Guarantors, that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify the Holders of Guaranteed Obligations immediately on demand against any cost, loss or liability they incur as a result of the Borrower or any of its Affiliates not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by such Guarantor under this Guaranty on the date when it would have been due (but so that the amount payable by each Guarantor under this indemnity will not exceed the amount which it would have had to pay under this Guaranty if the amount claimed had been recoverable on the basis of a guaranty) .

SECTION 4. Guaranty Unconditional. The obligations of each of the Guarantors hereunder shall be unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

(A) any extension, renewal, settlement, indulgence, compromise, waiver or release of or with respect to the Guaranteed Obligations or any part thereof or any agreement relating thereto, or with respect to any obligation of any other guarantor of any of the Guaranteed Obligations, whether (in any such case) by operation of law or otherwise, or any failure or omission to enforce any right, power or remedy with respect to the Guaranteed Obligations or any part thereof or any agreement relating thereto, or with respect to any obligation of any other guarantor of any of the Guaranteed Obligations;

(B) any modification or amendment of or supplement to the Credit Agreement, any Swap Agreement, any Banking Services Agreement or any other Loan Document, including, without limitation, any such amendment which may increase the amount of, or the interest rates applicable to, any of the Obligations guaranteed hereby;

(C) any release, surrender, compromise, settlement, waiver, subordination or modification, with or without consideration, of any collateral securing the Guaranteed Obligations or any part thereof, any other guaranties with respect to the Guaranteed Obligations or any part thereof, or any other obligation of any person or entity with respect to the Guaranteed Obligations or any part thereof, or any nonperfection or invalidity of any direct or indirect security for the Guaranteed Obligations;

(D) any change in the corporate, partnership or other existence, structure or ownership of the Borrower or any other guarantor of any of the Guaranteed Obligations, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Borrower or any other guarantor of the Guaranteed Obligations, or any of their respective assets or any resulting release or discharge of any obligation of the Borrower or any other guarantor of any of the Guaranteed Obligations;

(E) the existence of any claim, setoff or other rights which the Guarantors may have at any time against the Borrower, any other guarantor of any of the Guaranteed Obligations, the Administrative Agent, any Holder of Guaranteed Obligations or any other Person, whether in connection herewith or in connection with any unrelated transactions; provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim;

(F) the enforceability or validity of the Guaranteed Obligations or any part thereof or the genuineness, enforceability or validity of any agreement relating thereto or with respect to any collateral securing the Guaranteed Obligations or any part thereof, or any other invalidity or unenforceability relating to or against the Borrower or any other guarantor of any of the Guaranteed Obligations, for any reason related to the Credit Agreement, any Swap Agreement, any Banking Services Agreement, any other Loan Document, or any provision of applicable law, decree, order or regulation of any jurisdiction purporting to prohibit the payment by the Borrower or any other guarantor of the Guaranteed Obligations, of any of the Guaranteed Obligations or otherwise affecting any term of any of the Guaranteed Obligations;

(G) the failure of the Administrative Agent to take any steps to perfect and maintain any security interest in, or to preserve any rights to, any security or collateral for the Guaranteed Obligations, if any;

(H) the election by, or on behalf of, any one or more of the Holders of Guaranteed Obligations, in any proceeding instituted under Chapter 11 of Title 11 of the United States Code (11 U.S.C. 101 et seq.) (the “Bankruptcy Code”), of the application of Section 1111(b)(2) of the Bankruptcy Code;

(I) any borrowing or grant of a security interest by the Borrower, as debtor-in-possession, under Section 364 of the Bankruptcy Code;

(J) the disallowance, under Section 502 of the Bankruptcy Code, of all or any portion of the claims of the Holders of Guaranteed Obligations or the Administrative Agent for repayment of all or any part of the Guaranteed Obligations;

(K) the failure of any other guarantor to sign or become party to this Guaranty or any amendment, change, or reaffirmation hereof; or

(L) any other act or omission to act or delay of any kind by the Borrower, any other guarantor of the Guaranteed Obligations, the Administrative Agent, any Holder of Guaranteed Obligations or any other Person or any other circumstance whatsoever which might, but for the provisions of this Section 4, constitute a legal or equitable discharge of any Guarantor’s obligations hereunder except as provided in Section 5.

SECTION 5. Continuing Guarantee; Discharge Only Upon Payment In Full; Reinstatement In Certain Circumstances. Each of the Guarantors’ obligations hereunder shall constitute a continuing and irrevocable guarantee of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until all Guaranteed Obligations shall have been paid in full in cash and the Commitments and all Letters of Credit issued under the Credit Agreement shall have terminated, expired or been collateralized on substantially the terms set forth in Section 2.06(j) of the Credit Agreement. If at any time any payment of the principal of or interest on any Loan, any Reimbursement Obligation or any other amount payable by the Borrower or any other party under the Credit Agreement, any Swap Agreement, any Banking Services Agreement or any other Loan Document (including a payment effected through exercise of a right of setoff) is rescinded, or is or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise (including pursuant to any settlement entered into by a Holder of Guaranteed Obligations in its discretion), each of the Guarantors’ obligations hereunder with respect to such payment shall be reinstated as though such payment had been due but not made at such time. The parties hereto acknowledge and agree that each of the Guaranteed Obligations shall be due and payable in the same currency as such Guaranteed Obligation is denominated, but if currency control or exchange regulations are imposed in the country which issues such currency

with the result that such currency (the “Original Currency”) no longer exists or the relevant Guarantor is not able to make payment in such Original Currency, then all payments to be made by such Guarantor hereunder in such currency shall instead be made when due in Dollars in an amount equal to the Dollar Amount (as of the date of payment) of such payment due, it being the intention of the parties hereto that each Guarantor takes all risks of the imposition of any such currency control or exchange regulations.

SECTION 6. General Waivers; Additional Waivers.

(A) General Waivers. Each of the Guarantors irrevocably waives acceptance hereof, presentment, demand or action on delinquency, protest, the benefit of any statutes of limitations and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Borrower, any other guarantor of the Guaranteed Obligations, or any other Person.

(B) Additional Waivers. Notwithstanding anything herein to the contrary, each of the Guarantors hereby absolutely, unconditionally, knowingly, and expressly waives:

(i) any right it may have to revoke this Guaranty as to future indebtedness arising under the Loan Documents or notice of acceptance hereof;

(ii) (a) notice of acceptance hereof; (b) notice of any loans or other financial accommodations made or extended under the Loan Documents or the creation or existence of any Guaranteed Obligations; (c) notice of the amount of the Guaranteed Obligations, subject, however, to each Guarantor’s right to make inquiry of Administrative Agent and Holders of Guaranteed Obligations to ascertain the amount of the Guaranteed Obligations at any reasonable time; (d) notice of any adverse change in the financial condition of the Borrower or of any other fact that might increase such Guarantor’s risk hereunder; (e) notice of presentment for payment, demand, protest, and notice thereof as to any instruments among the Loan Documents; (f) notice of any Default or Event of Default; and (g) all other notices (except if such notice is specifically required to be given to such Guarantor hereunder or under the Loan Documents) and demands to which each Guarantor might otherwise be entitled;

(iii) its right, if any, to require the Administrative Agent and the other Holders of Guaranteed Obligations to institute suit against, or to exhaust any rights and remedies which the Administrative Agent and the other Holders of Guaranteed Obligations has or may have against, the other Guarantors or any third party, or against any collateral provided by the other Guarantors, or any third party; and each Guarantor further waives any defense arising by reason of any disability or other defense (other than the defense that the Guaranteed Obligations shall have been fully and finally performed and indefeasibly paid) of the other Guarantors or by reason of the cessation from any cause whatsoever of the liability of the other Guarantors in respect thereof;

(iv) (a) any rights to assert against the Administrative Agent and the other Holders of Guaranteed Obligations any defense (legal or equitable), set-off, counterclaim, or claim which such Guarantor may now or at any time hereafter have against the other Guarantors or any other party liable to the Administrative Agent and the other Holders of Guaranteed Obligations; (b) any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Guaranteed Obligations or any security therefor; (c) any defense such Guarantor has to performance hereunder, and any right

such Guarantor has to be exonerated, arising by reason of: the impairment or suspension of the Administrative Agent's and the other Holders of Guaranteed Obligations' rights or remedies against the other Guarantors; the alteration by the Administrative Agent and the other Holders of Guaranteed Obligations of the Guaranteed Obligations; any discharge of the other Guarantors' obligations to the Administrative Agent and the other Holders of Guaranteed Obligations by operation of law as a result of the Administrative Agent's and the other Holders of Guaranteed Obligations' intervention or omission; or the acceptance by the Administrative Agent and the other Holders of Guaranteed Obligations of anything in partial satisfaction of the Guaranteed Obligations; and (d) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement thereof, and any act which shall defer or delay the operation of any statute of limitations applicable to the Guaranteed Obligations shall similarly operate to defer or delay the operation of such statute of limitations applicable to such Guarantor's liability hereunder; and

(v) any defense arising by reason of or deriving from (a) any claim or defense based upon an election of remedies by the Administrative Agent and the other Holders of Guaranteed Obligations; or (b) any election by the Administrative Agent and the other Holders of Guaranteed Obligations under Section 1111(b) of Title 11 of the United States Code entitled "Bankruptcy", as now and hereafter in effect (or any successor statute), to limit the amount of, or any collateral securing, its claim against the Guarantors.

SECTION 7. Subordination of Subrogation; Subordination of Intercompany Indebtedness.

(A) Subordination of Subrogation. Until the Guaranteed Obligations have been fully and finally performed and indefeasibly paid in full in cash, the Guarantors (i) shall have no right of subrogation with respect to such Guaranteed Obligations, (ii) waive any right to enforce any remedy which the Holders of Guaranteed Obligations, the Issuing Bank or the Administrative Agent now have or may hereafter have against the Borrower, any endorser or any guarantor of all or any part of the Guaranteed Obligations or any other Person, and (iii) waive any benefit of, and any right to participate in, any security or collateral given to the Holders of Guaranteed Obligations, the Issuing Bank and the Administrative Agent to secure the payment or performance of all or any part of the Guaranteed Obligations or any other liability of the Borrower to the Holders of Guaranteed Obligations or the Issuing Bank. Should any Guarantor have the right, notwithstanding the foregoing, to exercise its subrogation rights, each Guarantor hereby expressly and irrevocably (A) subordinates any and all rights at law or in equity to subrogation, reimbursement, exoneration, contribution, indemnification or set off that such Guarantor may have to the indefeasible payment in full in cash of the Guaranteed Obligations and (B) waives any and all defenses available to a surety, guarantor or accommodation co-obligor until the Guaranteed Obligations are indefeasibly paid in full in cash. Each Guarantor acknowledges and agrees that this subordination is intended to benefit the Administrative Agent and the other Holders of Guaranteed Obligations and shall not limit or otherwise affect such Guarantor's liability hereunder or the enforceability of this Guaranty, and that the Administrative Agent, the other Holders of Guaranteed Obligations and their respective successors and assigns are intended third party beneficiaries of the waivers and agreements set forth in this Section 7(A).

(B) Subordination of Intercompany Indebtedness. Each Guarantor agrees that any and all claims of such Guarantor against the Borrower or any other Guarantor hereunder (each an "Obligor") with respect to any "Intercompany Indebtedness" (as hereinafter defined), any endorser, obligor or any other guarantor of all or any part of the Guaranteed Obligations, or

against any of its properties shall be subordinate and subject in right of payment to the prior payment, in full and in cash, of all Guaranteed Obligations; provided that, as long as no Event of Default has occurred and is continuing, such Guarantor may receive payments of principal and interest from any Obligor with respect to Intercompany Indebtedness. Notwithstanding any right of any Guarantor to ask, demand, sue for, take or receive any payment from any Obligor, all rights, liens and security interests of such Guarantor, whether now or hereafter arising and howsoever existing, in any assets of any other Obligor shall be and are subordinated to the rights of the Holders of Guaranteed Obligations and the Administrative Agent in those assets. No Guarantor shall have any right to possession of any such asset or to foreclose upon any such asset, whether by judicial action or otherwise, unless and until all of the Guaranteed Obligations shall have been fully paid and satisfied (in cash) and all financing arrangements pursuant to any Loan Document, any Swap Agreement or any Banking Services Agreement have been terminated. If all or any part of the assets of any Obligor, or the proceeds thereof, are subject to any distribution, division or application to the creditors of such Obligor, whether partial or complete, voluntary or involuntary, and whether by reason of liquidation, bankruptcy, arrangement, receivership, assignment for the benefit of creditors or any other action or proceeding, or if the business of any such Obligor is dissolved or if substantially all of the assets of any such Obligor are sold, then, and in any such event (such events being herein referred to as an “Insolvency Event”), any payment or distribution of any kind or character, either in cash, securities or other property, which shall be payable or deliverable upon or with respect to any indebtedness of any Obligor to any Guarantor (“Intercompany Indebtedness”) shall be paid or delivered directly to the Administrative Agent for application on any of the Guaranteed Obligations, due or to become due, until such Guaranteed Obligations shall have first been fully paid and satisfied (in cash). Should any payment, distribution, security or instrument or proceeds thereof be received by the applicable Guarantor upon or with respect to the Intercompany Indebtedness after any Insolvency Event and prior to the satisfaction of all of the Guaranteed Obligations and the termination of all financing arrangements pursuant to any Loan Document among the Borrower and the Holders of Guaranteed Obligations, such Guarantor shall receive and hold the same in trust, as trustee, for the benefit of the Holders of Guaranteed Obligations and shall forthwith deliver the same to the Administrative Agent, for the benefit of the Holders of Guaranteed Obligations, in precisely the form received (except for the endorsement or assignment of the Guarantor where necessary), for application to any of the Guaranteed Obligations, due or not due, and, until so delivered, the same shall be held in trust by the Guarantor as the property of the Holders of Guaranteed Obligations. If any such Guarantor fails to make any such endorsement or assignment to the Administrative Agent, the Administrative Agent or any of its officers or employees is irrevocably authorized to make the same. Each Guarantor agrees that until the Guaranteed Obligations (other than the contingent indemnity obligations) have been paid in full (in cash) and satisfied and all financing arrangements pursuant to any Loan Document among the Borrower and the Holders of Guaranteed Obligations have been terminated, no Guarantor will assign or transfer to any Person (other than the Administrative Agent) any claim any such Guarantor has or may have against any Obligor.

SECTION 8. Contribution with Respect to Guaranteed Obligations.

(A) To the extent that any Guarantor shall make a payment under this Guaranty (a “Guarantor Payment”) which, taking into account all other Guarantor Payments then previously or concurrently made by any other Guarantor, exceeds the amount which otherwise would have been paid by or attributable to such Guarantor if each Guarantor had paid the aggregate Guaranteed Obligations satisfied by such Guarantor Payment in the same proportion as such Guarantor’s “Allocable Amount” (as defined below) (as determined immediately prior to such Guarantor Payment) bore to the aggregate Allocable Amounts of each of the Guarantors as

determined immediately prior to the making of such Guarantor Payment, then, following indefeasible payment in full in cash of the Guaranteed Obligations and termination of the Credit Agreement, the Swap Agreements and the Banking Services Agreements, such Guarantor shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Guarantor for the amount of such excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment.

(B) As of any date of determination, the "Allocable Amount" of any Guarantor shall be equal to the excess of the fair saleable value of the property of such Guarantor over the total liabilities of such Guarantor (including the maximum amount reasonably expected to become due in respect of contingent liabilities, calculated, without duplication, assuming each other Guarantor that is also liable for such contingent liability pays its ratable share thereof), giving effect to all payments made by other Guarantors as of such date in a manner to maximize the amount of such contributions.

(C) This Section 8 is intended only to define the relative rights of the Guarantors, and nothing set forth in this Section 8 is intended to or shall impair the obligations of the Guarantors, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Guaranty.

(D) The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of the Guarantor or Guarantors to which such contribution and indemnification is owing.

(E) The rights of the indemnifying Guarantors against other Guarantors under this Section 8 shall be exercisable upon the full and indefeasible payment of the Guaranteed Obligations in cash and the termination of the Credit Agreement, the Swap Agreements and the Banking Services Agreements.

SECTION 9. Limitation of Guaranty. Notwithstanding any other provision of this Guaranty, the amount guaranteed by each Guarantor hereunder shall be limited to the extent, if any, required so that its obligations hereunder shall not be subject to avoidance under Section 548 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law. In determining the limitations, if any, on the amount of any Guarantor's obligations hereunder pursuant to the preceding sentence, it is the intention of the parties hereto that any rights of subrogation, indemnification or contribution which such Guarantor may have under this Guaranty, any other agreement or applicable law shall be taken into account.

SECTION 10. Stay of Acceleration. If acceleration of the time for payment of any amount payable by the Borrower under the Credit Agreement, any Swap Agreement, any Banking Services Agreement or any other Loan Document is stayed upon the insolvency, bankruptcy or reorganization of the Borrower, all such amounts otherwise subject to acceleration under the terms of the Credit Agreement, any Swap Agreement, any Banking Services Agreement or any other Loan Document shall nonetheless be payable by each of the Guarantors hereunder forthwith on demand by the Administrative Agent.

SECTION 11. Notices. All notices, requests and other communications to any party hereunder shall be given in the manner prescribed in Article IX of the Credit Agreement with respect to the Administrative Agent at its notice address therein and with respect to any Guarantor, in care of the Borrower at the address of the Borrower set forth in the Credit Agreement or such other address or

telecopy number as such party may hereafter specify for such purpose by notice to the Administrative Agent in accordance with the provisions of such Article IX.

SECTION 12. No Waivers. No failure or delay by the Administrative Agent or any other Holder of Guaranteed Obligations in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided in this Guaranty, the Credit Agreement, any Swap Agreement, any Banking Services Agreement and the other Loan Documents shall be cumulative and not exclusive of any rights or remedies provided by law.

SECTION 13. Successors and Assigns. This Guaranty is for the benefit of the Administrative Agent and the other Holders of Guaranteed Obligations and their respective successors and permitted assigns; provided, that, subject to the Credit Agreement, no Guarantor shall have any right to assign its rights or obligations hereunder without the consent of all of the Lenders, and any such assignment in violation of this Section 13 shall be null and void (provided further than nothing contained in this Section 13 shall prohibit or otherwise restrict any merger, sale or other transfer permitted by Section 6.03 of the Credit Agreement); and in the event of an assignment of any amounts payable under the Credit Agreement, any Swap Agreement, any Banking Services Agreement or the other Loan Documents in accordance with the respective terms thereof, the rights hereunder, to the extent applicable to the indebtedness so assigned, may be transferred with such indebtedness. This Guaranty shall be binding upon each of the Guarantors and their respective successors and assigns.

SECTION 14. Changes in Writing. Other than in connection with the addition of additional Subsidiaries, which become parties hereto by executing a supplement hereto in the form attached as Annex I, neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated orally, but only in writing signed by each of the Guarantors and the Administrative Agent.

SECTION 15. GOVERNING LAW. THIS GUARANTY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

SECTION 16. CONSENT TO JURISDICTION; SERVICE OF PROCESS; JURY TRIAL; IMMUNITY.

(A) CONSENT TO JURISDICTION. EACH GUARANTOR HEREBY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL OR NEW YORK STATE COURT SITTING IN THE CITY OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTY AND EACH GUARANTOR HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH COURT AND IRREVOCABLY WAIVES ANY OBJECTION IT MAY NOW OR HEREAFTER HAVE AS TO THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN SUCH A COURT OR THAT SUCH COURT IS AN INCONVENIENT FORUM. NOTHING HEREIN SHALL LIMIT THE RIGHT OF THE ADMINISTRATIVE AGENT, THE ISSUING BANK OR ANY LENDER TO BRING PROCEEDINGS AGAINST ANY GUARANTOR IN THE COURTS OF ANY OTHER JURISDICTION. ANY JUDICIAL PROCEEDING BY ANY GUARANTOR AGAINST THE ADMINISTRATIVE AGENT, THE ISSUING BANK OR ANY LENDER OR ANY AFFILIATE OF THE ADMINISTRATIVE AGENT, THE ISSUING BANK OR ANY LENDER INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS GUARANTY OR ANY OTHER LOAN DOCUMENT SHALL BE BROUGHT ONLY IN A COURT IN THE CITY OF NEW YORK.

(B) WAIVER OF JURY TRIAL. EACH GUARANTOR HEREBY WAIVES TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS GUARANTY OR ANY OTHER LOAN DOCUMENT OR THE RELATIONSHIP ESTABLISHED THEREUNDER AND FURTHER WAIVES ANY RIGHT TO INTERPOSE ANY COUNTERCLAIM RELATED TO THIS GUARANTY OR THE TRANSACTIONS CONTEMPLATED HEREBY IN SUCH ACTION.

(C) TO THE EXTENT THAT ANY GUARANTOR HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER FROM SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OF A JUDGMENT, EXECUTION OR OTHERWISE), EACH GUARANTOR HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS GUARANTY.

SECTION 17. No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Guaranty. In the event an ambiguity or question of intent or interpretation arises, this Guaranty shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Guaranty.

SECTION 18. Taxes, Expenses of Enforcement, Etc.

(A) Taxes.

(i) Each payment by any Guarantor hereunder or under any promissory note or application for a Letter of Credit shall be made without withholding for any Taxes, unless such withholding is required by any law. If any Guarantor determines, in its sole discretion exercised in good faith, that it is so required to withhold Taxes, then such Guarantor may so withhold and shall timely pay the full amount of withheld Taxes to the relevant Governmental Authority in accordance with applicable law. If such Taxes are Indemnified Taxes, then the amount payable by the Guarantor shall be increased as necessary so that, net of such withholding (including such withholding applicable to additional amounts payable under this Section), the applicable Recipient receives the amount it would have received had no such withholding been made.

(ii) In addition, such Guarantor shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(iii) As soon as practicable after any payment of Indemnified Taxes by any Guarantor to a Governmental Authority, such Guarantor shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(iv) The Guarantors shall jointly and severally indemnify each Recipient for any Indemnified Taxes that are paid or payable by such Recipient in connection with any Loan Document (including amounts payable under this Section 18(A)) and any reasonable expenses arising therefrom or with respect thereto, whether or not such

Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 18(A) shall be paid within ten (10) days after the Recipient delivers to any Guarantor a certificate stating the amount of any Indemnified Taxes so payable by such Recipient. Such certificate shall be conclusive of the amount so payable absent manifest error. Such Recipient shall deliver a copy of such certificate to the Administrative Agent. In the case of any Lender making a claim under this Section 18(A) on behalf of any of its beneficial owners, an indemnity payment under this Section 18(A) shall be due only to the extent that such Lender is able to establish that, with respect to the applicable Indemnified Taxes, such beneficial owners supplied to the applicable Persons such properly completed and executed documentation necessary to claim any applicable exemption from, or reduction of, such Indemnified Taxes.

(v) By accepting the benefits hereof, each Lender agrees that it will comply with Section 2.17(f) of the Credit Agreement.

(B) Expenses of Enforcement, Etc. The Guarantors agree to reimburse the Administrative Agent and the other Holders of Guaranteed Obligations for any reasonable costs and out-of-pocket expenses (including attorneys' fees) paid or incurred by the Administrative Agent or any other Holder of Guaranteed Obligations in connection with the collection and enforcement of amounts due under the Loan Documents, including without limitation this Guaranty.

SECTION 19. Setoff. At any time after all or any part of the Guaranteed Obligations have become due and payable (by acceleration or otherwise), each Holder of Guaranteed Obligations (including the Administrative Agent) and its Affiliates may, without notice to any Guarantor and regardless of the acceptance of any security or collateral for the payment hereof, appropriate and apply in accordance with the terms of the Credit Agreement toward the payment of all or any part of the Guaranteed Obligations (i) any indebtedness due or to become due from such Holder of Guaranteed Obligations or the Administrative Agent to any Guarantor, and (ii) any moneys, credits or other property belonging to any Guarantor, at any time held by or coming into the possession of such Holder of Guaranteed Obligations (including the Administrative Agent) or any of their respective affiliates.

SECTION 20. Financial Information. Each Guarantor hereby assumes responsibility for keeping itself informed of the financial condition of the Borrower and any and all endorser and/or other Guarantors of all or any part of the Guaranteed Obligations, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations, or any part thereof, that diligent inquiry would reveal, and each Guarantor hereby agrees that none of the Holders of Guaranteed Obligations (including the Administrative Agent) shall have any duty to advise such Guarantor of information known to any of them regarding such condition or any such circumstances. In the event any Holder of Guaranteed Obligations (including the Administrative Agent), in its sole discretion, undertakes at any time or from time to time to provide any such information to a Guarantor, such Holder of Guaranteed Obligations (including the Administrative Agent) shall be under no obligation (i) to undertake any investigation not a part of its regular business routine, (ii) to disclose any information which such Holder of Guaranteed Obligations (including the Administrative Agent), pursuant to accepted or reasonable commercial finance or banking practices, wishes to maintain confidential or (iii) to make any other or future disclosures of such information or any other information to such Guarantor.

SECTION 21. Severability. Wherever possible, each provision of this Guaranty shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Guaranty shall be prohibited by or invalid under such law, such provision shall be ineffective to the

extent of such prohibition or invalidity without invalidating the remainder of such provision or the remaining provisions of this Guaranty.

SECTION 22. Merger. This Guaranty, together with the other Loan Documents, represents the final agreement of each of the Guarantors with respect to the matters contained herein and may not be contradicted by evidence of prior or contemporaneous agreements, or subsequent oral agreements, between the Guarantor and any Holder of Guaranteed Obligations (including the Administrative Agent).

SECTION 23. Headings. Section headings in this Guaranty are for convenience of reference only and shall not govern the interpretation of any provision of this Guaranty.

SECTION 24. Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from any Guarantor hereunder in the currency expressed to be payable herein (the “specified currency”) into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent’s main New York City office on the Business Day preceding that on which final, non-appealable judgment is given. The obligations of each Guarantor in respect of any sum due hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by any Holder of Guaranteed Obligations (including the Administrative Agent), as the case may be, of any sum adjudged to be so due in such other currency such Holder of Guaranteed Obligations (including the Administrative Agent), as the case may be, may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Holder of Guaranteed Obligations (including the Administrative Agent), as the case may be, in the specified currency, each Guarantor agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Holder of Guaranteed Obligations (including the Administrative Agent), as the case may be, against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any Holder of Guaranteed Obligations (including the Administrative Agent), as the case may be, in the specified currency and (b) amounts shared with other Holders of Guaranteed Obligations as a result of allocations of such excess as a disproportionate payment to such other Holder of Guaranteed Obligations under Section 2.18 of the Credit Agreement, such Holder of Guaranteed Obligations (including the Administrative Agent), as the case may be, agrees, by accepting the benefits hereof, to remit such excess to such Guarantor.

SECTION 25. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under this Guaranty in respect of Specified Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 25 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 25 or otherwise under this Guaranty voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 25 shall remain in full force and effect until a discharge of such Qualified ECP Guarantor’s Guaranteed Obligations in accordance with the terms hereof and the other Loan Documents. Each Qualified ECP Guarantor intends that this Section 25 constitute, and this Section 25 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act. As used herein, “Qualified ECP Guarantor” means, in respect of any Specified Swap Obligation, each Guarantor that has total assets exceeding \$10,000,000 at the time the relevant Guarantee

or grant of the relevant security interest becomes or would become effective with respect to such Specified Swap Obligation or such other Person as constitutes an ECP and can cause another Person to qualify as an ECP at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 26. Termination of Guaranty. The obligations of any Guarantor under this Guaranty shall automatically terminate in accordance with Section 9.14 of the Credit Agreement.

In connection with this Agreement, including Supplier's performance of its obligations hereunder and AT&T's receipt of Work, either Party may find it beneficial to disclose to the other Party (which may include permitting or enabling the other Party's access to) certain of its Information. For the purpose of this clause, each Party's disclosure of Information to the other Party includes any Information that a Party receives, observes, collects, handles, stores, or accesses, in any way, in connection with this Agreement. Information of a disclosing Party shall be deemed to be confidential or proprietary when it is clearly marked or otherwise identified by the disclosing Party as being confidential or proprietary, provided that if it is orally or visually disclosed (including Information conveyed to an answering machine, voice mail box or similar medium), the disclosing Party shall designate it as confidential or proprietary at the time of such disclosure. A disclosing Party shall use commercially-reasonable efforts to mark or identify information subject to this confidentiality requirement, but the failure to mark or designate information as being confidential or proprietary will not waive the confidentiality where it is reasonably obvious, under the circumstances surrounding disclosure, that the Information is confidential or proprietary. Neither Party shall be expected to mark or identify AT&T Customer Information, since any and all such AT&T Customer Information (such as name, address, telephone number, and other personal identifiers) shall automatically be deemed to be confidential and proprietary. For greater certainty, Information provided by either Party to the other Party prior to the Effective Date of this Agreement in connection with the subject matter hereof, including any such Information provided under a separate non-disclosure agreement (howsoever denominated) is also subject to the terms of this Agreement. Neither Party shall disclose Information under this Agreement that includes, in any form, any of the following: customer or employee personal information, credit card and credit related information, health or financial information, and/or authentication credentials.
- b. With respect to the Information of the disclosing Party, the receiving Party shall:
1. hold all such Information in confidence with the same degree of care with which it protects its own confidential or proprietary Information, but with no less than reasonably prudent care;
 2. restrict disclosure of such Information solely to its employees, contractors, and agents (and also to its Affiliates' employees, contractors, and agents) with a need to know such Information, advise such persons of their confidentiality obligations with respect thereto, and ensure that such persons are bound by obligations of confidentiality reasonably comparable to those imposed in this Agreement;

Proprietary and Confidential

This Agreement and information contained therein is not for use or disclosure outside of AT&T, its Affiliates, and third party representatives, and Supplier except under written agreement by the contracting parties.

3. use such Information only as needed to perform its obligations (and, if AT&T is the receiving Party, to receive the benefits of the Work provided) under this Agreement;
 4. except as necessary under the immediately preceding clause (3), not copy, distribute, or otherwise use any such Information or allow anyone else to copy, distribute, or otherwise use such Information; and ensure that any and all copies bear the same notices or legends, if any, as the originals; and
 5. upon the disclosing Party's request, promptly return, or destroy all or any requested portion of the Information, including tangible and electronic copies, notes, summaries, extracts, mail or other communications, and provide written certification within **** to the disclosing Party that such Information has been returned or destroyed, provided that with respect to archival or back-up copies of Information that reside on the receiving Party's systems, the receiving Party shall be deemed to have complied with its obligations under this clause (5) if it makes reasonable efforts to expunge from such systems, or to permanently render irretrievable, such copies.
- c. Except for Customer Information, neither Party shall have any obligation to the other Party with respect to Information which:
1. at the time of disclosure was already known to the receiving Party free of any obligation to keep it confidential (as evidenced by the receiving Party's written records prepared prior to such disclosure);
 2. is or becomes publicly known through no wrongful act of the receiving Party (such obligations ceasing at the time such Information becomes publicly known);
 3. is lawfully received from a third party, free of any obligation to keep it confidential;
 4. is independently developed by the receiving Party or a third party, as evidenced by the receiving Party's written records, and where such development occurred without any direct or indirect use of or access to the Information received from the disclosing Party, or
 5. the disclosing Party consents in writing to be free of restriction.
- d. If a receiving Party is required to provide Information of a disclosing Party to any court or government agency pursuant to a written court order, subpoena, regulatory demand, request under the National Labor Relations Act (an "NLRA Request"), or process of law, the receiving Party must, unless prohibited by applicable law, first provide the disclosing Party with prompt written notice of such requirement and reasonable cooperation to the disclosing Party should it seek protective arrangements for the production of such Information. The receiving Party will (i) take reasonable steps to limit any such provision of Information to the specific Information required by such court or agency, and (ii) continue to otherwise protect all Information disclosed in response to such order, subpoena, regulation, NLRA Request, or process of law.
- e. A receiving Party's obligations with respect to any particular Information of a disclosing Party shall remain in effect, including after the expiration or termination of this Agreement, until such time as it qualifies under one of the exceptions set forth in clause (c) above. Notwithstanding anything to the contrary herein, Customer Information shall remain confidential indefinitely and shall never be disclosed or used without the prior written approval of an authorized representative of AT&T.

Prior to making any additions or deletions to the countries set forth in Appendix K, the Parties shall amend Appendix K. A change in the location where a Service is performed from one Offshore Location to another AT&T approved Offshore Location, or a change in the Subcontractor performing the Work at the Offshore Location, shall not require approval or an amendment to Appendix K except as expressly set forth in an applicable Order. The requirements of this Section shall be in addition to the Master Agreement Section entitled, "**Assignment**", and the Section of this Agreement entitled "**Work Done By Others**".
- b. If the relocation of the Work results in a change in Supplier's costs, then Supplier may propose modifications to the pricing terms if it reasonably determines that its costs will change due to such relocation. If the Parties are unable to agree to such pricing terms, the Parties should escalate and resolve such issue under the Dispute Resolution Section of this Agreement. .
- c. Supplier's compliance with this Section, and all Services performed in Offshore Locations with AT&T's consent, shall be subject to the Section of this Agreement entitled "**Records and Audit**". - e. - f. When AT&T has granted consent for Services to be performed in an Offshore Location, Supplier shall remain fully responsible for compliance with any applicable foreign, federal, state or local law for such Services regardless of whether the Service is being performed by Supplier or a Subcontractor. Nothing contained within this Agreement is intended to extend, nor does it extend, any rights or benefits to any Subcontractor, and no third party beneficiary right is intended or granted to any third party hereby.
- g. Supplier shall advise AT&T as early as possible prior to any change of Control of the Supplier or any of the entities performing the Work at the Offshore Location. "Control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies by one person or entity or a group of persons or entities acting in concert; provided, however, that the legal or beneficial ownership, directly or indirectly, by persons or entities, including governmental entities, acting alone or in concert, of more than **** of the voting stock for the election of directors of a Party shall always be deemed Control.

3.10 Records and Audits

- a. Supplier shall maintain complete and accurate records relating to the Work and the performance of this Agreement. AT&T and its auditors (including internal audit staff and external auditors) and governmental authorities shall have the right to review such records at Supplier's offices at mutually agreeable times ("AT&T Audits"), to verify the following:

outside of their physical location with appropriate safeguards, if such retention is deemed reasonably necessary by AT&T.

- c. AT&T Audits may be conducted **** (or more frequently if requested by governmental authorities who regulate AT&T's business, if required by applicable Law or if auditors require follow-up access to complete audit inquiries or if an audit uncovers any problems or deficiencies), upon at least **** advance written notice (unless otherwise mandated by Law) provided that the time of such audit does not adversely affect Supplier's operations or performance hereunder. Supplier will cooperate, and will ensure that its Subcontractors cooperate, in the AT&T Audits, and will make the information reasonably required to conduct the AT&T Audits available on a timely basis.
- d. If, as a result of an AT&T Audit, AT&T determines that Supplier overcharged AT&T, then AT&T will notify Supplier in writing of the amount of such overcharge and, provided that Supplier agrees with such determination, Supplier will promptly pay to AT&T the amount of the overcharge. If any such AT&T Audit is agreed to by Supplier reveals an overcharge to AT&T during any **** period exceeding **** of all charges in the aggregate paid by AT&T hereunder during such period, then Supplier will reimburse AT&T for the cost of such AT&T Audit. If, as a result of an AT&T Audit, AT&T determines (and Supplier agrees) that Supplier has not performed or has unsatisfactorily performed any obligation under this Agreement, then Supplier will promptly remedy the non-performance or unsatisfactory performance.
- e. Supplier will maintain and retain the records set forth in Subsection (a) during the term of the Agreement and for **** thereafter (unless a discovery or legal hold request is made with respect to such records, in which case AT&T shall notify Supplier in writing of such request and Supplier shall retain such records until AT&T notifies Supplier that such discovery or legal hold request has expired). Supplier will provide AT&T, at AT&T's request, with paper and electronic copies of documents and information reasonably necessary to verify Supplier's compliance with this Agreement. Upon notification by AT&T of a discovery or legal hold request, Supplier shall fully cooperate with such request and immediately preserve any Supplier records covered by such request and promptly provide such Supplier records requested by AT&T related to the inquiry.
- f. Except as provided in Subsection (d), all reasonable out-of-pocket costs and expenses incurred by AT&T in connection with an AT&T Audit shall be paid by AT&T. Supplier shall be solely responsible for all costs and expenses incurred by Supplier in connection with its obligations under this Section. In the event that either Party requires that an audit be performed by an independent auditor, unless otherwise specified herein, the Party requesting such independent auditor will be responsible for the costs and expenses associated with the independent auditor.
- g. With respect to AT&T requests for audits or inspections of Supplier subcontractors, the following applies:
 - i) If Supplier's agreement with its applicable subcontractor permits an AT&T Audit, AT&T shall work through Supplier in connection with such audit. Supplier shall work with AT&T in facilitating the subcontractor's cooperation for an expeditious and thorough audit or inspection.
 - ii) If Supplier's contract with its applicable subcontractor precludes AT&T from directly conducting an audit or inspection, Supplier shall use reasonable best efforts to enable AT&T to perform an audit of the subcontractor with Supplier coordinating the audit process. Failing those efforts, Supplier shall, upon AT&T's request, conduct the audit or inspection on behalf of AT&T, subject to terms agreed to by Supplier and AT&T for the subcontractor audit, such as areas to be audited, applicable fees, and the timeframe for reporting audit results to AT&T. If AT&T's request for a Supplier audit or inspection arises from, in AT&T's good faith opinion, materially and consistently deficient Service provided by the subcontractor under AT&T's account, and the audit in both Parties' opinions confirms such deficiencies, Supplier shall not charge AT&T a fee for the Supplier's audit of its subcontractor.

3.11 Termination

- a. **Termination for Cause** - If either Party breaches any provision of this Agreement and/or any Order, and (i) if the breach is one that by its nature could be cured, and such breach is not cured within **** after the breaching Party receives written notice, or (ii) if the breach is material and one that by its nature cannot be cured, then, in addition to all other rights and remedies at law or in equity or otherwise, the non-breaching Party shall

have the right upon written notice to immediately terminate this Agreement and/or any such Order without any obligation or liability. Failure of the non-breaching Party to immediately terminate this Agreement and/or any Order (x) following a breach which continues longer than such cure period, provided such breach has not been cured prior to the non-breaching Party's providing notice of termination, or (y) following a breach that cannot be cured or that constitutes a violation of Laws shall not constitute a waiver of the non-breaching Party's rights to terminate; provided, however, if the non-breaching Party does not exercise such termination right within **** of the date such right is triggered, the non-breaching Party shall waive its right to terminate with respect to such breach.

- b. **Termination for Convenience in Whole** - AT&T may at any time, for its own convenience and without cause, by providing Supplier written notice of at least **** prior to the effective date of the termination, terminate this Agreement in whole without any further liability to Supplier except as set forth herein. The termination or expiration of this Agreement shall not affect the obligations of either Party to the other Party pursuant to any Order previously executed hereunder, and the terms and conditions of this Agreement shall continue to apply to such Order as if this Agreement were still in effect. Likewise, termination or expiration of the Master Agreement shall not affect the obligations of either Party to the other Party pursuant to this Agreement or any Order thereunder, and the terms and conditions of the Master Agreement shall continue to apply to this Agreement or any Order thereunder as if the Master Agreement were still in effect. For the avoidance of doubt, (a) such termination of the Agreement shall not relieve AT&T of any obligations for any minimums under the Agreement and, (b) the provisions for termination of Services under an Order for convenience by AT&T shall be as set forth in each Order.
- c. In the event that all Orders under the Agreement are terminated, this Agreement will be deemed to be terminated as of the effective date of the termination of the last such Order.
- d. **Termination of Related Orders** - Whenever law or a provision of this Agreement permits AT&T to terminate any Order, AT&T may also terminate such other Orders as are related to the same transaction or series of transactions as the Order in question to the extent such other Orders cannot be performed if the original Order is terminated.
- e. **Return of Information Obligations upon Expiration or Termination**

Each Party shall, except as required under law or this Agreement, upon expiration or termination of this Agreement and after all Wind Down and Transition efforts have concluded, promptly return all papers, materials, and property of the other Party.

f. **Wind Down and Transitioning.**

1. The Parties acknowledge that upon the termination or expiration of the Agreement (provided that such termination is not a result of termination by Supplier for cause), existing Customers will need to be migrated to AT&T-hosted or to third party-hosted platforms. Because of the volume of Customer provisioning that is handled by Supplier at the time of execution of this Agreement, the Parties agree that they will need to develop a Transition Plan at that time in order to carry out an orderly, migration that mitigates disruption of operations for AT&T. For purposes of this section, Transition Plan shall be defined as a mutually negotiated, written document outlining the respective obligations of each Party in carrying out an incremental or phased cutover of Customer Order provisioning provided by Supplier under this Agreement to AT&T, including the continued payment of agreed unit prices under any supplemental Order, to the extent incurred, and the payment of any agreed time and material charges incurred above the existing unit prices.
2. The Parties agree to negotiate in good faith toward a Transition Plan that will cover at least the following points:
 - (i) Segmenting Customer Information from the view, modification, deletion or any other access by Supplier or Supplier-chosen subcontractors who will continue to work for Supplier on other, non-AT&T e-commerce businesses after the Transition Plan;

3.12 Third Party Beneficiaries

The provisions of this Agreement are solely for the benefit of the Parties hereto and are not intended to confer upon any person or entity, except the Parties hereto, any rights or remedies hereunder. There are no third party beneficiaries of this Agreement, and this Agreement shall not provide any third person or entity with any remedy, claim, liability, reimbursement, claim of action or other right in excess of those existing without reference to this Agreement.

In the event that Supplier is not a publically traded corporation, Supplier shall provide to AT&T (or its third party delegate), upon request and at no charge, its bona fide and unedited audited fiscal year financial statements and other financial documents as reasonably requested by AT&T to allow an assessment of Supplier's financial condition. If Supplier is a subsidiary, owned, majority interest holder, or controlled by an entity (e.g., a parent company) that is not a publically traded corporation, then Supplier shall furnish such documents for both Supplier and its owning, controlling or parent company. If Supplier is a subsidiary, owned, majority interest holder, or controlled by an entity (e.g., a parent company) that is a publically traded corporation, then Supplier shall furnish such documents for both Supplier and its owning, controlling or parent company to the extent that such documents are not publically available.

Nothing in this Agreement shall create any contractual obligation or other liability of AT&T to any Subcontractor or its employees. Supplier agrees to bind every Subcontractor to terms consistent with the terms of this Agreement.

4.5 Dispute Resolution

- a. Except for any claim or action concerning the breach of a license right, validity, enforceability or infringement of any patent, copyright, trademark (including trade dress and service mark) or other intellectual property right, nor a breach (or alleged breach) of a Party's obligations in the sections entitled "Information," "Ownership of Work Product," or "Publicity." If the Parties are unable promptly to resolve a dispute informally or by mediation, the Party alleging a material breach (the "Moving Party") may initiate arbitration by providing the other Party written notice of its intent to arbitrate; provided, however, nothing herein shall limit a Party's right to seek appropriate injunctive relief. If the Parties are unable to agree upon an arbitrator within **** of the Moving Party's written notice to arbitrate, the Moving Party may request the American Arbitration Association ("AAA") to appoint an arbitrator. The AAA shall select an arbitrator who can promptly proceed with and strive to conclude the arbitration as specified herein. If a dispute is submitted to an arbitrator, it shall be finally resolved through binding arbitration in Chicago, Illinois, according to the Commercial Arbitration Rules of the AAA, except as modified herein. The award rendered by the arbitrator shall be final and binding on the Parties and shall be deemed enforceable in any court having jurisdiction thereof. The arbitration shall be heard by a single arbitrator who shall by training, education, or experience have knowledge of the general subject matter of this Agreement. The arbitrator shall have only the power to award damages, injunctive relief and other remedies to the extent the same would be available in a court of law having jurisdiction of the matter, except that the arbitrator shall not have the power to vary the provisions of this Agreement. The arbitrator shall promptly commence the arbitration proceeding with the intent to conclude the proceedings and issue a written decision stating in reasonable detail the basis for the award, which must be supported by law and substantial evidence, as promptly as the circumstances demand and permit, but generally no later than **** after the arbitrator's appointment. Each Party acknowledges that it is giving up judicial rights to a jury trial, discovery and most grounds for appeal under the foregoing provision.
- b. The prevailing Party shall be entitled to recover from the non-prevailing Party the reasonable attorneys' fees, expenses and costs incurred by the prevailing Party in any arbitration.
- c. No provision of this Section shall limit the right of any Party to exercise its rights of setoff. The exercise of a remedy does not waive the right of either Party to resort to arbitration.
- d. During dispute resolution proceedings, including arbitration, the Parties shall continue to perform their obligations under this Agreement, except for those obligations directly related to the dispute at issue.

4.6 Special Events

- a. AT&T and Supplier agree and acknowledge that from time to time "Special Events" (as defined below) may arise that will temporarily increase volumes of Customer Orders, Contacts and/or Manual Transaction Processing and may require changes in processes or processing requirements. The Parties will work in good faith to agree upon the appropriate temporary staffing levels to accommodate volume increases and process changes during such Special Events. Each Special Event of increased volume shall be forecasted and the requirements negotiated at least **** in advance of such Special Event "go live" date. AHTs shall be determined assuming volumes within forecasted levels and distribution patterns and for Agent performance in compliance of required quality and other SLAs.

The foregoing pricing terms shall be subject to any additional terms and conditions set forth in Sections 4.4 and 4.5 below and in an applicable Order (such as forecast requirements, minimums and additional pricing assumptions). Upon determining applicable Transaction Prices, Synchronoss shall provide a chart of such Transaction Prices for each Transaction Price to AT&T (the "Price Chart"). Such Price Chart shall apply to applicable Transactions until modified or replaced pursuant to the terms of this Agreement or the Order. Upon any such modification, a modified Price Chart shall be supplied.

4.5 Pricing Assumptions

Except as otherwise set forth in an Order, the following terms (the "Price Assumptions") shall apply to programs or program elements with Transaction Pricing:

- i) Supplier and AT&T will meet once every **** (as requested by either Party) to review and adjust, in accordance with the terms set forth herein and the Order, the applicable Transaction Price where appropriate based on changes in CPH or as set forth in this Section 4.5 below.
- ii) In the event that the ASP Solution reporting data or Time Studies reveal a material change in Supplier's or Customer Care Support costs greater than **** for a given Transaction Type, both Parties agree to review in detail the core reasons for such change. Except to the extent where a change in processing costs is attributed to Supplier not meeting its performance obligations and not to a change in the process or applications supporting the process, then both Parties will negotiate in good faith a change in the pricing to reflect such change factoring such metrics as ****.
- iii) Supplier anticipates Customer Care Support for additional Transaction Types or Contact types may be added from time to time. The fees for these new Transactions or Contact types could be priced at a different rate. The fee for processing for such new Transactions Types or Contacts would be determined by the complexity and processing requirements associated with the Transaction and the Transaction Price for Manually Transactions Processing or Contacts will be determined (in accordance with the terms of Section 4.2) after a large enough sample size is processed by the ASP Solution and will be mutually agreed to in writing by both Parties. During this period which shall not exceed ****, the Parties shall mutually agree on a price until an amendment to the Order is completed with mutually agreed upon pricing and associated SLA and remedies reflecting such new Transaction Types or Contacts.
- iv) New Customer Care Support elements or changes as set forth in this Section 4.5 above would be handled through a written change request. New Contact support or Manual Transaction Processing will require an initial trial period that will produce a large enough sample size to provide Transaction Pricing (and the respective Transaction Price) for such Contacts or Manually Processing. Service levels and remedies will not apply during the initial trial period, which shall not exceed **** unless mutually agreed by the Parties.
- v) Any modifications requested by AT&T that impact the CPH, configuration or processing methodology by Supplier may require adjustments to the fees herein. Upon receipt and review of AT&T's modification request, Supplier shall inform AT&T of any proposed increase to the fees. AT&T will have the sole option of whether or not to move forward with its requested modification.
- vi) Supplier shall be entitled to an additional period, not to exceed ****, upon a large ramp of Agents for a program or the addition, enhancement, upgrade or re-release of a material change to process or procedure requested by a AT&T, where the Parties agree (such agreement not to be unreasonably withheld) that such change can reasonably be expected to materially affect Supplier's ability to meet one or more Service Levels (each, an "SL Relief Period"). Such SL Relief Period shall apply only with respect to the Service Level(s) that the Parties agree are adversely affected by such addition, ramp, enhancement, upgrade, modification or re-release. During a SL Relief Periods, Remedies shall not be imposed with regard to the affected Service Level(s) for the impacted Services, however, that Supplier shall use commercially reasonable efforts to meet the Services Levels.
- vii) In the event that daily Contact or Transaction volumes for a program element are not sufficient to support a staff of **** (as demonstrated by typical statistical evaluations used in the industry that take into consideration program SLAs), Supplier may require a reasonable minimum number of

In addition, the Parties shall agree on changes to the Transaction Price (and **** fees if applicable) for additions to the normal days or hours of operation for a given program prior to implementing such change.

- viii) In the event that Manual Transaction Processing or Contact processing times are materially increased (or CPH materially decreased) as a result of an error, delay or increased as a result of an error or failure of an AT&T (or its agents) provided application or system or other Exclusion, Supplier, shall notify AT&T of such condition and the Parties shall discuss options to address such condition. Unless otherwise agreed by the Parties, Vendor, if such condition is not resolved in a reasonable period of time, Vendor, may, upon notification to AT&T, require for such impacted periods to bill using for Agents working such program during such period to be billed at the Baseline **** Rate **** applicable to the program in lieu of the applicable Transaction Price for Transactions or Contacts supported during such interval.

Appendix Z - AT&T's Vendor Expense Policy (Updated 1/11/2013)**1.0 General**

The AT&T Vendor Expense Policy (VEP) provides guidelines to be followed by all vendors of AT&T in requesting reimbursement for business travel, meals and other business related expense. Expenses outside this policy are not reimbursable.

The following principles apply to requests for expense reimbursement:

When spending money that is to be reimbursed, vendors must ensure that an AT&T Company ("Company") receives proper value in return.

Personal expenditures reported for reimbursement should be billed exactly as they were incurred. The use of averages for any type expenditure or combination of expenditures is not permitted except as specifically provided or documented in a contract.

Every vendor and AT&T employee who certifies or approves the correctness of any voucher or bill should have reasonable knowledge the expense and amounts are proper and reasonable. In the absence of the adoption of such policy, or existing contractual agreements, these guidelines are considered the minimum requirements for requesting reimbursement of Company funds.

Deviations from this VEP *must be approved in writing* by the sponsoring Senior Manager or Officer of an AT&T Company.

Receipts will be requested and reviewed for any unusual or out of the ordinary expenses or where the approver cannot make a reasonable determination of the propriety of the invoice without a receipt.

1.1 Non-Reimbursable Expenses

The following is a list, although not all inclusive, of expenses considered not reimbursable:

- Airline club membership fees, dues, or upgrade coupon

- Birthday cakes, lunches, balloons, and other personal celebration/recognition costs
- Break-room supplies for the vendor, such as coffee, creamer, paper products, soft drinks, snack food

- Lawn care
- Lost: luggage, cash, personal items and valuables, and tickets

The failure to comply with the above mentioned restrictions will result in the Company refusing payment of charges or pursuing restitution from the vendor.

2.0 Responsibilities

2.1 Vendor's Responsibility

AT&T's sponsoring managers will ensure that vendors have been covered on this policy prior to incurring any expenditure. Vendors and their sponsoring AT&T managers are responsible for clarifying any questions or uncertainties they may have relative to reimbursable business expenses.

It is mandatory that financial transactions are recorded in a timely manner. **Out-of-pocket business expense(s) for vendors that are not submitted for reimbursement within 90 calendar days from the date incurred are considered non-reimbursable.** Company managers who are responsible for approving reimbursable expenses of vendors should ensure they are submitted and approved in a timely manner.

Proprietary and Confidential

This Agreement and information contained therein is not for use or disclosure outside of AT&T, its Affiliates, and third party representatives, and Supplier except under written agreement by the contracting parties.

3.0 Travel Policy

Vendors must first consider the feasibility of using videoconferencing or teleconferencing as an alternative to travel. Travel that is to be reimbursed by AT&T should be incurred only as necessary and pre-approved by AT&T (unless otherwise authorized in the agreement).

AT&T reserves the right to dispute any expense submittal and if not verifiable as valid may reject reimbursement. Reimbursements will be made to vendor only after expenses are verified as valid.

3.1 Travel Authorization

Travel requiring overnight stays must be pre-approved by the sponsoring AT&T 3rd Level Manager or above and should be approved only if it is necessary for the vendor to travel to perform required work.

3.2 Travel Reservations

Vendors are expected to procure the most cost efficient travel arrangements, preferably equivalent to the AT&T discount rate. AT&T does not reimburse for travel purchased with prepaid air passes.

3.3 Travel Expense Reimbursement

Vendor travel expenses incurred for company business are reimbursable only as specified in these guidelines. Travel expenses may include the following:

- Transportation (airfare or other commercial transportation, car rental, personal auto mileage, taxi and shuttle service)
- Meals and lodging
- Parking and tolls
- Tips/porter service (if necessary and reasonable)
- Vendors who stay with friends or relatives or other vendor employees while on a Company business trip will **NOT** be reimbursed for lodging, nor will they be reimbursed for expenditures made to reciprocate their hospitality by buying groceries, being host at a restaurant, etc.

The expense must be ordinary and necessary, not lavish or extravagant, in the judgment of the AT&T sponsoring management. Any reimbursement request must be for actual expenditures only.

3.4 Air Travel Arrangements

Vendors must select lowest logical airfare (fares available in the market at the time of booking, preferably well in advance of trip to attain lowest possible airfare). Vendors shall book coach class fares for all travel at all times. First class bookings are not reimbursable. Vendors can request business class when a single segment of flight time ("in air time" excluding stops, layovers and ground time) is greater than 8 hours providing the relevant manager pre-approves.

3.5 Hotel Arrangements

AT&T has established Market-Based Room Rate Guidelines for vendors to reference when making hotel reservations in the United States (see Addendum A). U.S. vendors traveling outside the U.S. should reference the

GSA, Government Per Diem as a guide: http://aoprals.state.gov/web920/per_diem.asp. Non-US vendors may use these dollar per diems as a guide, but any locally specified per diems will take precedence. Vendors

are expected to abide by these guidelines when making hotel arrangements or use specified AT&T preferred hotels/maximum location rates or reasonably priced hotels outside of the U.S... The AT&T vendor

manager can advise which hotel/max rate to use if there is a hotel in the location concerned. AT&T will only reimburse vendors up to the established room rate guideline/AT&T preferred hotel rate in each market, or for actual hotel lodging charges incurred, whichever is less.

There must be a strong business justification for incurring any cost for internet access, and a request for reimbursement must be accompanied by a detailed explanation regarding reason for charge.

Proprietary and Confidential

This Agreement and information contained therein is not for use or disclosure outside of AT&T, its Affiliates, and third party representatives, and Supplier except under written agreement by the contracting parties.

Note: Vendors must indicate the number of room nights on the transaction line when invoicing for reimbursement of hotel expenses. Copies of all hotel bills must be made available for any invoice containing lodging charges.

3.6 Ground Transportation

While away from their home location overnight, vendors are expected to utilize rapid transit or local shuttle service. If the hotel provides a complimentary shuttle, vendors are to use this service before paying for transportation. If complimentary service is not provided a taxi or other local transportation is reimbursable as a business expense. Tips provided to taxi drivers cannot exceed 15% of the value of the total fare.

A rental car is appropriate when the anticipated business cost is less than that of other available public transportation. Except to the extent necessary to accommodate several travelers and/or luggage requirements, vendors will not be reimbursed for automobile rentals other than economy or mid-sized/intermediate models.

“Loss Damage Waiver” and “Extended Liability Coverage” are not considered reimbursable in the US. Prepaid fuel or refueling charges at the time of return are not reimbursable. Rental cars should be refueled before returning to the rental company, since gas purchased through the rental company carries an expensive refueling service charge.

3.7 Use of Personal Vehicle

When use of personal vehicle is required, the current locally approved mileage rate for miles driven for the business portion of the trip should be the maximum used to determine the amount to be reimbursed.

3.8 Parking

If airport parking is necessary, vendors must use long term parking facilities. Additional costs for short term, valet or covered parking are not reimbursable.

3.9 Entertainment

Entertainment expense is not reimbursable to vendors. Entertainment includes meal expense involving AT&T personnel, golf fees, tickets to events and related incidental expenses. Hotel charges for a pay-per-view movie, individual sightseeing tours, or other individual activities (i.e., golf, sporting event, movie, etc.) are not reimbursable.

3.10 Laundry and Cleaning

Reasonable laundry charges during business trips of seven or more **consecutive** nights are reimbursable based on actual expenses incurred.

3.11 Communications

- The actual cost of landline telephone calls for AT&T business is reimbursable. The use of AT&T products is required when available.
- AT&T will not reimburse vendors for cell phone bills unless approved under the contract. With prior consent of the sponsoring AT&T Senior Manager, only individual calls that **exceed** a vendor's rate plan that are necessary to conduct business for AT&T may be reimbursed.
- Charges for high speed internet access are not reimbursable unless specifically approved in the contract.

Proprietary and Confidential

This Agreement and information contained therein is not for use or disclosure outside of AT&T, its Affiliates, and third party representatives, and Supplier except under written agreement by the contracting parties.

3.12 Business Meals (Travel and Non-Travel)

Vendors are expected to find reasonably priced dining alternatives. As a general rule, vendors are expected to spend USD **\$42.00 or less per day** (or local currency equivalent) inclusive of tax and gratuity or to abide by the legally specified per diem applicable in the Vendor's country. This includes all meals, beverages and refreshments purchased during the day. Requests for reimbursement should break out the amount for meals and list the related number of travel days. If breakfast is offered as part of the hotel accommodation rate, no additional reimbursement will be permitted for breakfast. Vendors may not submit expenses to cover meals or expenses for an AT&T employee, whether in a home location or on official travel.

AT&T managers authorizing invoices will be held accountable for ensuring that vendors are following this policy and are spending Company funds economically.

3.13 Flowers, Greeting Cards, Gifts and Incentive Awards

The cost of gifts, flowers, birthday lunches, or greeting cards is considered a personal expense and is not reimbursable. For example, vendors making a donation or providing a gift for a fund-raiser for AT&T may not submit such an expense to AT&T for reimbursement.

3.14 Loss or Damage to Personal Property

The Company assumes no responsibility for loss or damage to a vendor's personal property during business functions or hours.

3.15 Publications

Subscriptions to or purchases of magazines, newspapers and other publications are not reimbursable.

Proprietary and Confidential

This Agreement and information contained therein is not for use or disclosure outside of AT&T, its Affiliates, and third party representatives, and Supplier except under written agreement by the contracting parties.

- b. In the event AT&T terminates Transactions requiring Manual Transaction Processing, Inbound Calls, Outbound Calls and Chats for convenience up to the Threshold Percentage, and elects, solely at its discretion, to perform the work itself or through its designated third party, AT&T shall notify Supplier via the forecasting process (identified in Section 4.3 and 4.4 above) the actual percentage of **** Transactions requiring Manual Transaction Processing, Inbound Calls, Outbound Calls and Chats AT&T intends to assume (or, if applicable, it requests for a third party to assume). AT&T shall be responsible for the actions or inactions of such third parties granted access to the ASP Solution.
- d. 6.4 Termination ** of the Transactions requiring Manual Transaction Processing, Inbound Calls, Outbound Calls and Chats**

- a. In the event that AT&T elects to perform the Transactions requiring Manual Transaction Processing, Inbound Calls, Outbound Calls and/or Chats itself or through a third party for **** in excess of the Threshold Percentage and Supplier does not have the appropriate skill sets or such third party bid or pricing is at a lower cost than Supplier under this Order, Supplier shall have the opportunity to review the bid (subject to compliance with any obligations of confidentiality) and determine if Supplier can meet the same price and material terms to AT&T by such third party and/or skill set requirements as provided to AT&T in such bid. Promptly after receiving such bid, AT&T shall provide Supplier with the necessary information relating to such bid (including material terms, pricing and resources) for Supplier to make such determination; provided, however, AT&T shall not be required to provide any information which would cause it to violate its confidentiality obligations to a third party. In the event that Supplier does not provide written notice to AT&T within such **** period, AT&T may deem that Supplier elected not to match the applicable bid. In the case of notification by Supplier under item (b) above, such notification shall also contain estimation of cost increases, if any, for Transactions requiring Manual Transaction Processing, Inbound Calls, Outbound Calls and/or Chats retained by Supplier. Notwithstanding anything to the contrary, in the event that AT&T makes an election to move Customer Care Support from Supplier under the provisions of this Section in excess of the Threshold Percentage, such move must be to only to use the third party resources that were the subject of the bid used in the Evaluation Period and under the terms presented under such bid in all material respects. In the event that Supplier and AT&T do not agree on the results of such evaluation, an officer of Supplier and an officer of the respective division of AT&T shall meet to resolve such dispute within **** of the conclusion of the Evaluation Period. In the event that such executives cannot resolve such dispute, Supplier shall provide the third party which provided such bid or AT&T internal resources the same access to perform such Transactions requiring Manual Transaction Processing, Inbound Calls, Outbound calls and/or Chats for **** as provided in Section 4.5 above.

6.8 Return of Information Obligations upon Expiration or Termination

Each Party shall, except as required under law or this Order, upon expiration or termination of this Order and after all Wind Down and Transition efforts have concluded, promptly return all papers, materials, and property of the other Party.

6.9 Wind Down and Transitioning.

- a. The Parties acknowledge that upon the termination or expiration of the Agreement (provided that such termination is not a result of termination by Supplier for cause), existing Customers will need to be migrated to AT&T-hosted or to third party-hosted platforms. Because of the volume of Customer provisioning that is handled by Supplier at the time of execution of this Agreement, the Parties agree that they will need to develop a Transition Plan at that time in order to carry out an orderly migration that mitigates disruption of operations for AT&T. For purposes of this section, Transition Plan shall be defined as a mutually negotiated, written document outlining the respective obligations of each Party in carrying out an incremental or phased cutover of Customer Order provisioning provided by Supplier under this Agreement to AT&T, including the continued payment of agreed unit prices under any supplemental Order, to the extent incurred, and the payment of any agreed time and material charges incurred above the existing unit prices.
- b. The Parties agree to negotiate in good faith toward a Transition Plan that will cover at least the following points:
 - (i) Segmenting Customer Information from the view, modification, deletion or any other access by Supplier or Supplier-chosen subcontractors who will continue to work for Supplier on other, non-AT&T e-commerce businesses after the Transition Plan;
 - (i) Electronic capture, transfer and backup during Transition Plan of (a) Customer Information, including names, addresses, and IP addresses and other identifying information needed to carry out the migration and (b) pending trouble tickets, billing or provisioning corrections, and other data for Customer Orders in process; and
 - (iii) The length of time needed to complete the Transition Plan, including a schedule for phased or incremental cutovers.
- c. Except as set forth in Section 6.3 (c) of this Order, Supplier shall not be required, pursuant to this Section 6.9 or otherwise, to disclose or otherwise make available to AT&T the proprietary technology, software, or source code of Supplier or Supplier subcontractors, as well as any Confidential Information relating thereto.

4. Automation Rates, SLAs and Remedies for Customer Orders:

The Parties agree that measurement of automation levels and partial automation levels for Customer Orders is an important metric in overall subscriber satisfaction and the costs of both Parties. As such, the following parameters are established to review and monitor Automation Rates on agreed upon Customer Orders. The Parties acknowledge that the Actual Automation rate or Rate of Fallout may have many factors and causes including those that are not indicative of any failure or inadequate performance by a Party. As such, the Parties shall meet quarterly to establish and review the parameters and requirements for measuring Automation Rates and, discuss adjustments as may be reasonably agreed upon by the Parties from time to time. Any such adjustments shall be made pursuant to the Change Order Process under the Agreement.

1. Establishing Expected Automation Rate.

The Parties shall mutually agree in writing on the Customer Orders that constitute the Customer Orders in the Customer Order Class. Such orders shall be:

- (b) of a similar nature or type so as to provide meaningful Automation Reporting output for management purposes as reasonably agreed upon by the Parties without undo detail or quantities of measurements and reports.
- (c) Customer Orders with an established and tested Order Manager and Workflow configuration for at least ****.

Upon establishing the Customer Order Class, the Parties shall study the Automation Rate of the Customer Order Class for Completed Customer Orders in the Customer Order Class over the prior **** period that does not include a Special Event (an "Evaluation Period") where the following data is reasonably constant or static during such Evaluation Period (collectively, the "Baseline Data"):

- (a) Mix of the types of Customer Orders within the Customer Order Class and the Automation Rate for such Orders,
- (b) Volume and arrival distribution of such Customer Orders,
- (c) Relative occurrence of issues that impact or cause Fallout or a Customer Contact (excluding Fallout as a result in a Defect in the ASP Solution or error in configuration or implementation of a process or workflow in the ASP Solution by Supplier), and
- (d) Current processes, workflow and task requirements and the SLA requirements established for the Customer Orders in the Customer Order Class as well as average handle times and system response times for connected applications external to the ASP Solution that are applicable to the Orders and related parameters (such a system timeouts and "retries") (collectively, the "Requirements").

For each Customer Order Class that has an established Expected Automation Rate, such rate shall remain the same during each **** of the Term.

2. Measurement and Reports.

Supplier will provide Automation Reports to AT&T for agreed upon Order Classes on a **** basis (each such ****, a "Measurement Period") setting forth (a) calculations of actual performance relative to the SLAs for the relevant ****; and (b) in the event that any SLAs are not achieved in any given ****, a description of the cause or causes believed to have caused such failure to achieve such SLA, and, to the extent such caused by a Defect, any corrective actions taken by Supplier to prevent re-occurrence.

6.7 In the event that all Work or Services under this Order are terminated per Sections 6.2, 6.3, 6.4 and 6.5 above, this Order will be deemed to be terminated by AT&T as of the effective date of the termination of the last such Work or Services under this Order.

6.8 Return of Information Obligations upon Expiration or Termination

6.9 Wind Down and Transitioning.

- a. The Parties acknowledge that upon the termination or expiration of the Agreement (provided that such termination is not a result of termination by Supplier for cause), existing Customers will need to be migrated to AT&T-hosted or to third party-hosted platforms. Because of the volume of Customer provisioning that is handled by Supplier at the time of execution of this Agreement, the Parties agree that they will need to develop a Transition Plan at that time in order to carry out an orderly, migration that mitigates disruption of operations for AT&T. For purposes of this section, Transition Plan shall be defined as a mutually negotiated, written document outlining the respective obligations of each Party in carrying out an incremental or phased cutover of Customer Order provisioning provided by Supplier under this Agreement to AT&T, including the continued payment of agreed unit prices under any supplemental Order, to the extent incurred, and the payment of any agreed time and material charges incurred above the existing unit prices.
- b. The Parties agree to negotiate in good faith toward a Transition Plan that will cover at least the following points:
 - (i) Segmenting Customer Information from the view, modification, deletion or any other access by Supplier or Supplier-chosen subcontractors who will continue to work for Supplier on other, non-AT&T e-commerce businesses after the Transition Plan;
 - (i) Electronic capture, transfer and backup during Transition Plan of (a) Customer Information, including names, addresses, and IP addresses and other identifying information needed to carry out the migration and (b) pending trouble tickets, billing or provisioning corrections, and other data for Customer Orders in process; and
 - (iii) The length of time needed to complete the Transition Plan, including a schedule for phased or incremental cutovers.
- c. Except as set forth in Section 6.3(c) of this Order, Supplier shall not be required, pursuant to this Section 6.9 or otherwise, to disclose or otherwise make available to AT&T the proprietary technology, software, or source code of Supplier or Supplier subcontractors, as well as any Confidential Information relating thereto.

the responsibility to produce reports from the Order Gateway, or request such reports from Supplier, to measure the results and determine if this SLA Key Performance Indicator is met. AT&T and Supplier shall mutually agree on the format of such reports. Measurement will be based on **** for a given Customer Order. Supplier will comply with AT&T's reasonable requests for data in accordance with the measurement.

"Normal Transaction Flow" means:

- a. Volumes and distributions are within the expected capacity thresholds for ASP Solution as identified in the Agreement.
- b. The sending system emits a valid message for the activity desired per the agreed upon schema.
- c. The AT&T client is also sending messages at the rate both Parties have determined acceptable for the Channel and via the agreed upon protocol.

During the Normal Transaction Flow, it is assumed that the client is sending the correct number of messages per Transaction.

Order Gateway validations: Upon receipt of a message, the Order Gateway will validate the message against the specified schema and/or configured business rules. Additional security, database and business logic analysis will be performed to ensure the message can and should be processed by the Supplier system. If both of these activities are successful, the Order is submitted for processing.

4. Automation Rates, SLAs and Remedies for Customer Orders

The Parties agree that measurement of automation levels and partial automation levels for Customer Orders is an important metric in overall subscriber satisfaction and the costs of both Parties. As such, the following parameters are established to review and monitor Automation Rates on agreed upon Customer Orders. The Parties acknowledge that the Actual Automation rate or Rate of Fallout may have many factors and causes including those that are not indicative of any failure or inadequate performance by a Party. As such, the Parties shall meet quarterly to establish and review the parameters and requirements for measuring Automation Rates and, discuss adjustments as may be reasonably agreed upon by the Parties from time to time. Any such adjustments shall be made pursuant to the Change Order Process under the Agreement.

1. Establishing Expected Automation Rate.

The Parties shall mutually agree in writing on the Customer Orders that constitute the Customer Orders in the Customer Order Class. Such orders shall be:

- (a) supported by a Workflow and Order Manager configuration, process and flow that supports such Orders being capable of being an Automated Order (ie. is not a workflow or process that has, by business rule or otherwise, an anticipated Fallout condition for each such Customer Order), and
- (b) of a similar nature or type so as to provide meaningful Automation Reporting output for management purposes as reasonably agreed upon by the Parties without undo detail or quantities of measurements and reports.
- (c) Customer Orders with an established and tested Order Manager and Workflow configuration for at least ****.

Upon establishing the Customer Order Class, the Parties shall study the Automation Rate of the Customer Order Class for Completed Customer Orders in the Customer Order Class over the **** period that does not include a Special Event (an "Evaluation Period") where the following data is reasonably constant or static during such Evaluation Period (collectively, the "Baseline Data"):

- (a) Mix of the types of Customer Orders within the Customer Order Class and the Automation Rate for such Orders,

- (b) Volume and arrival distribution of such Customer Orders,
- (c) Relative occurrence of issues that impact or cause Fallout or a Customer Contact (excluding Fallout as a result in a Defect in the ASP Solution or error in configuration or implementation of a process or workflow in the ASP Solution by Supplier), and
- (d) Current processes, workflow and task requirements and the SLA requirements established for the Customer Orders in the Customer Order Class as well as average handle times and system response times for connected applications external to the ASP Solution that are applicable to the Orders and related parameters (such as system timeouts and “retries”) (collectively, the “Requirements”).

The Parties shall use the Average Automation Rate for the Customer Order Class over each **** of the Evaluation Period less **** as the Expected Automation Rate for such Order Class. In the event that, for each **** of an Evaluation Period, the **** Automation Rate varies from the average Automation Rate in such Evaluation Period by more than ****, the Parties shall (a) defer the assignment of an Expected Automation Rate for such Customer Order Class or (b) conduct such evaluation on an extended or new Evaluation Period, as may be reasonable, until such discrepancy and deviation is less than or equal to ****.

For each Customer Order Class that has an established Expected Automation Rate, such rate shall remain the same during each **** of the Term.

2. Measurement and Reports.

Supplier will provide Automation Reports to AT&T for agreed upon Order Classes on a **** basis (each such ****, a “Measurement Period”) setting forth (a) calculations of actual performance relative to the SLAs for the relevant ****; and (b) in the event that any SLAs are not achieved in any given ****, a description of the cause or causes believed to have caused such failure to achieve such SLA, and, to the extent such caused by a Defect, any corrective actions taken by Supplier to prevent re-occurrence.

3. Adjustments to the Expected Automation Rate.

If, there are changes in the Requirements or Baseline Data for an Order Class or additions/deletions of Orders types in the Order Class (creating a new Order Class), Order class makeup, Expected Automation Rate and related obligations and rights shall be readjusted pursuant to the mutual agreement of the Parties, in good faith and in a manner consistent with the intent of this Agreement and Section 1 above, to reflect such changes. In the event of a process change requested by AT&T, the Parties will mutually agree on an appropriate period, if any, after such implementation when the SLAs will not apply.

No remedies for any error, failure or delay of Supplier shall be deemed to occur to the extent resulting from the following (collectively "Exclusions")

Any transition to AT&T or third party of Transactions requiring Manual Transaction Processing, Inbound Calls, Outbound calls and/or Chats in accordance with this Section shall have no effect on the Technology Fee or Hosting Fee provided above provided however, in the event that this has AT&T exceeding the Threshold Percentage, Synchronoss may charge for, in addition to the Technology Fee and any other fees due under the Order, a price per Customer Order in excess of the Threshold Percentage that uses the Workflow Manager where any Manual Transaction Processing is by a party other than Supplier equal to a fee not to exceed **** (excluding any Synchronoss Agents) granted access to the Order Manager, Call Tracker, and Visibility Manager and any other components of the ASP Solution and related Supplier system(s) access solely to perform such Transactions requiring Manual Transaction Processing, Inbound Calls, Outbound Calls and Chats for ****.

For the avoidance of doubt, if the Parties agree to a price increase or changes to process, then (a) any such price increase or changes to process shall only be effective when the Threshold Percentage is exceeded and shall not apply to Services retained by Supplier if the Threshold Percentage is not exceeded; and (b) the provision of Sections "6.3" and "6.4" above shall continue to apply to any Customer Care

6.7 In the event that all Work or Services under this Order are terminated per Sections 6.2, 6.3, 6.4 and 6.5 above, this Order will be deemed to be terminated by AT&T as of the effective date of the termination of the last such Work or Services under this Order.

6.9 Wind Down and Transitioning.

- a. The Parties acknowledge that upon the termination or expiration of the Agreement (provided that such termination is not a result of termination by Supplier for cause), existing Customers will need to be migrated to AT&T-hosted or to third party-hosted platforms. Because of the volume of Customer provisioning that is handled by Supplier at the time of execution of this Agreement, the Parties agree that they will need to develop a Transition Plan at that time in order to carry out an orderly, migration that mitigates disruption of operations for AT&T. For purposes of this section, Transition Plan shall be defined as a mutually negotiated, written document outlining the respective obligations of each Party in carrying out an incremental or phased cutover of Customer Order provisioning provided by Supplier under this Agreement to AT&T, including the continued payment of agreed unit prices under any supplemental Order, to the extent incurred, and the payment of any agreed time and material charges incurred above the existing unit prices.
- b. The Parties agree to negotiate in good faith toward a Transition Plan that will cover at least the following points:
 - (i) Segmenting Customer Information from the view, modification, deletion or any other access by Supplier or Supplier-chosen subcontractors who will continue to work for Supplier on other, non-AT&T e-commerce businesses after the Transition Plan;
 - (i) Electronic capture, transfer and backup during Transition Plan of (a) Customer Information, including names, addresses, and IP addresses and other identifying information needed to carry out the migration and (b) pending trouble tickets, billing or provisioning corrections, and other data for Customer Orders in process; and
 - (iii) The length of time needed to complete the Transition Plan, including a schedule for phased or incremental cutovers.
- c. Except as set forth in Section 6.3(c) of this Order, Supplier shall not be required, pursuant to this Section 6.9 or otherwise, to disclose or otherwise make available to AT&T the proprietary technology, software, or source code of Supplier or Supplier subcontractors, as well as any Confidential Information relating thereto.

3. Order Gateway Performance Service Level Key Performance Indicators (“OG SLA”)

Order Gateway under a Normal Transaction Flow (as described below) will respond to **** of the Customer Orders for a Channel within **** of its receipt by the Order Gateway in any given **** provided such Customer Orders is in the documented format and has been submitted by AT&T per the published process documentation and successfully pass Supplier’s Order Gateway validations (as described below). AT&T will have the responsibility to produce reports from the Order Gateway, or request such reports from Supplier, to measure the results and determine if this SLA Key Performance Indicator is met. AT&T and Supplier shall mutually agree on the format of such reports. Measurement will be based on **** for a given Customer Order. Supplier will comply with AT&T’s reasonable requests for data in accordance with the measurement.

“Normal Transaction Flow” means:

- a. Volumes and distributions are within the expected capacity thresholds for ASP Solution as identified in the Agreement.
- b. The sending system emits a valid message for the activity desired per the agreed upon schema.
- c. The AT&T client is also sending messages at the rate both Parties have determined acceptable for the Channel and via the agreed upon protocol.
- d. AT&T’s systems are accepting and correctly processing responses from the Supplier platform.

During the Normal Transaction Flow, it is assumed that the client is sending the correct number of messages per Transaction.

Order Gateway validations: Upon receipt of a message, the Order Gateway will validate the message against the specified schema and/or configured business rules. Additional security, database and business logic analysis will be performed to ensure the message can and should be processed by the Supplier system. If both of these activates are successful the Order is submitted for processing.

4. Automation Rates, SLAs and Remedies for Customer Orders

The Parties agree that measurement of automation levels and partial automation levels for Customer Orders is an important metric in overall subscriber satisfaction and the costs of both Parties. As such, the following parameters are established to review and monitor Automation Rates on agreed upon Customer Orders. The Parties acknowledge that the Actual Automation rate or Rate of Fallout may have many factors and causes including those that are not indicative of any failure or inadequate performance by a Party. As such, the Parties shall meet quarterly to establish and review the parameters and requirements for measuring Automation Rates and, discuss adjustments as may be reasonably agreed upon by the Parties from time to time. Any such adjustments shall be made pursuant to the Change Order Process under the Agreement.

1. Establishing Expected Automation Rate.

The Parties shall mutually agree in writing on the Customer Orders that constitute the Customer Orders in the Customer Order Class. Such orders shall be:

- (a) supported by a Workflow and Order Manager configuration, process and flow that supports such Orders being capable of being an Automated Order (i.e., is not a workflow or process that has, by business rule or otherwise, an anticipated Fallout condition for each such Customer Order), and
- (b) of a similar nature or type so as to provide meaningful Automation Reporting output for management purposes as reasonably agreed upon by the Parties without undo detail or quantities of measurements and reports.
- (c) Customer Orders with an established and tested Order Manager and Workflow configuration for at least ****.

Proprietary and Confidential

Upon establishing the Customer Order Class, the Parties shall study the Automation Rate of the Customer Order Class for Completed Customer Orders in the Customer Order Class over the **** that does not include a Special Event (an "Evaluation Period") where the following data is reasonably constant or static during such Evaluation Period (collectively, the "Baseline Data"):

- (a) Mix of the types of Customer Orders within the Customer Order Class and the Automation Rate for such Orders,
- (b) Volume and arrival distribution of such Customer Orders,
- (c) Relative occurrence of issues that impact or cause Fallout or a Customer Contact (excluding Fallout as a result in a Defect in the ASP Solution or error in configuration or implementation of a process or workflow in the ASP Solution by Supplier), and
- (d) Current processes, workflow and task requirements and the SLA requirements established for the Customer Orders in the Customer Order Class as well as average handle times and system response times for connected applications external to the ASP Solution that are applicable to the Orders and related parameters (such a system timeouts and "retries") (collectively, the "Requirements").

The Parties shall use the Average Automation Rate for the Customer Order Class over each **** of the Evaluation Period less **** as the Expected Automation Rate for such Order Class. In the event that, for each **** of an Evaluation Period, the **** Automation Rate varies from the average Automation Rate in such Evaluation Period by more than ****, the Parties shall (a) defer the assignment of an Expected Automation Rate for such Customer Order Class or (b) conduct such evaluation on an extended or new Evaluation Period, as may be reasonable, until such discrepancy and deviation is less than or equal to ****.

For each Customer Order Class that has an established Expected Automation Rate, such rate shall remain the same during each **** of the Term.

2. Measurement and Reports.

Supplier will provide Automation Reports to AT&T for agreed upon Order Classes on a **** basis (each such ****, a "Measurement Period") setting forth (a) calculations of actual performance relative to the SLAs for the relevant ****; and (b) in the event that any SLAs are not achieved in any given ****, a description of the cause or causes believed to have caused such failure to achieve such SLA, and, to the extent such caused by a Defect, any corrective actions taken by Supplier to prevent re-occurrence.

3. Adjustments to the Expected Automation Rate.

If, there are changes in the Requirements or Baseline Data for an Order Class or additions/deletions of Orders types in the Order Class (creating a new Order Class), Order class makeup, Expected Automation Rate and related obligations and rights shall be readjusted pursuant to the mutual agreement of the Parties, in good faith and in a manner consistent with the intent of this Agreement and Section 1 above, to reflect such changes. In the event of a process change requested by AT&T, the Parties will mutually agree on an appropriate period, if any, after such implementation when the SLAs will not apply.

Because of the volume of Customer provisioning that is handled by Supplier at the time of execution of this Agreement, the Parties agree that they will need to develop a Transition Plan at that time in order to carry out an orderly, migration that mitigates disruption of operations for AT&T. For purposes of this section, Transition Plan shall be defined as a mutually negotiated, written document outlining the respective obligations of each Party in carrying out an incremental or phased cutover of Customer Order provisioning provided by Supplier under this Agreement to AT&T, including the continued payment of agreed unit prices under any supplemental Order, to the extent incurred, and the payment of any agreed time and material charges incurred above the existing unit prices.
- b. The Parties agree to negotiate in good faith toward a Transition Plan that will cover at least the following points:
 - (i) Segmenting Customer Information from the view, modification, deletion or any other access by Supplier or Supplier-chosen subcontractors who will continue to work for Supplier on other, non-AT&T e-commerce businesses after the Transition Plan;
 - (i) Electronic capture, transfer and backup during Transition Plan of (a) Customer Information, including names, addresses, and IP addresses and other identifying information needed to carry out the migration and (b) pending trouble tickets, billing or provisioning corrections, and other data for Customer Orders in process; and
 - (iii) The length of time needed to complete the Transition Plan, including a schedule for phased or incremental cutovers.
- c. Except as set forth in Section 6.3(c) of the Order, Supplier shall not be required, pursuant to this Section 6.9 or otherwise, to disclose or otherwise make available to AT&T the proprietary technology, software, or source code of Supplier or Supplier subcontractors, as well as any Confidential Information relating thereto.

This Appendix B provides the Service Level Agreement (SLA) and remedies for the **** eCommerce Channel. Such performance and remedies are, in each case, subject to the Exclusions noted herein. “Service Level Performance Metric” shall mean those service levels defined in this Appendix and that have a specific credit remedy defined herein associated with failure to meet such defined performance metric (with all other performance measures or metrics being “key performance metrics” for monitoring and analytical purposes only). Except as otherwise provided, Service Level Agreement Special Events will be reviewed on an individual basis. AT&T and Supplier agree to meet and review Special Event requirements on as-needed basis. Supplier will apply commercially reasonable efforts to fulfill Special Event requirement and SLA requests for Special Events. Supplier and AT&T will meet no less than **** to review and modify, as agreed upon, the call types, performance metrics and remedies where appropriate.

Measurement will be based on **** for a given Customer Order. Supplier will comply with AT&T's reasonable requests for data in accordance with the measurement.

"Normal Transaction Flow" means:

- a. Volumes and distributions are within the expected capacity thresholds for ASP Solution as identified in the Agreement.
- b. The sending system emits a valid message for the activity desired per the agreed upon schema.
- c. The AT&T client is also sending messages at the rate both Parties have determined acceptable for the Channel and via the agreed upon protocol.
- d. AT&T's systems are accepting and correctly processing responses from the Supplier platform.

During the Normal Transaction Flow, it is assumed that the client is sending the correct number of messages per Transaction.

Order Gateway validations: Upon receipt of a message, the Order Gateway will validate the message against the specified schema and/or configured business rules. Additional security, database and business logic analysis will be performed to ensure the message can and should be processed by the Supplier system. If both of these activates are successful the Order is submitted for processing.

4. Automation Rates, SLAs and Remedies for Customer Orders

The Parties agree that measurement of automation levels and partial automation levels for Customer Orders is an important metric in overall subscriber satisfaction and the costs of both Parties. As such, the following parameters are established to review and monitor Automation Rates on agreed upon Customer Orders. The Parties acknowledge that the Actual Automation rate or Rate of Fallout may have many factors and causes including those that are not indicative of any failure or inadequate performance by a Party. As such, the Parties shall meet quarterly to establish and review the parameters and requirements for measuring Automation Rates and, discuss adjustments as may be reasonably agreed upon by the Parties from time to time. Any such adjustments shall be made pursuant to the Change Order Process under the Agreement.

1. Establishing Expected Automation Rate.

The Parties shall mutually agree in writing on the Customer Orders that constitute the Customer Orders in the Customer Order Class. Such orders shall be:

- (a) supported by a Workflow and Order Manager configuration, process and flow that supports such Orders being capable of being an Automated Order (ie. is not a workflow or process that has, by business rule or otherwise, an anticipated Fallout condition for each such Customer Order), and
- (b) of a similar nature or type so as to provide meaningful Automation Reporting output for management purposes as reasonably agreed upon by the Parties without undo detail or quantities of measurements and reports.
- (c) Customer Orders with an established and tested Order Manager and Workflow configuration for at least ****.

Upon establishing the Customer Order Class, the Parties shall study the Automation Rate of the Customer Order Class for Completed Customer Orders in the Customer Order Class over the **** period that does not include a Special Event (an "Evaluation Period") where the following data is reasonably constant or static during such Evaluation Period (collectively, the "Baseline Data"):

- (a) Mix of the types of Customer Orders within the Customer Order Class and the Automation Rate for such Orders,

- (b) Volume and arrival distribution of such Customer Orders,
- (c) Relative occurrence of issues that impact or cause Fallout or a Customer Contact (excluding Fallout as a result in a Defect in the ASP Solution or error in configuration or implementation of a process or workflow in the ASP Solution by Supplier), and
- (d) Current processes, workflow and task requirements and the SLA requirements established for the Customer Orders in the Customer Order Class as well as average handle times and system response times for connected applications external to the ASP Solution that are applicable to the Orders and related parameters (such as system timeouts and “retries”) (collectively, the “Requirements”).

The Parties shall use the Average Automation Rate for the Customer Order Class over each **** of the Evaluation Period less **** as the Expected Automation Rate for such Order Class. In the event that, for each **** of an Evaluation Period, the **** Automation Rate varies from the average Automation Rate in such Evaluation Period by more than ****, the Parties shall (a) defer the assignment of an Expected Automation Rate for such Customer Order Class or (b) conduct such evaluation on an extended or new Evaluation Period, as may be reasonable, until such discrepancy and deviation is less than or equal to ****.

For each Customer Order Class that has an established Expected Automation Rate, such rate shall remain the same during each **** of the Term.

2. Measurement and Reports.

Supplier will provide Automation Reports to AT&T for agreed upon Order Classes on a **** basis (each such ****, a “Measurement Period”) setting forth (a) calculations of actual performance relative to the SLAs for the relevant ****; and (b) in the event that any SLAs are not achieved in any given ****, a description of the cause or causes believed to have caused such failure to achieve such SLA, and, to the extent such caused by a Defect, any corrective actions taken by Supplier to prevent re-occurrence.

3. Adjustments to the Expected Automation Rate.

If, there are changes in the Requirements or Baseline Data for an Order Class or additions/deletions of Orders types in the Order Class (creating a new Order Class), Order class makeup, Expected Automation Rate and related obligations and rights shall be readjusted pursuant to the mutual agreement of the Parties, in good faith and in a manner consistent with the intent of this Agreement and Section 1 above, to reflect such changes. In the event of a process change requested by AT&T, the Parties will mutually agree on an appropriate period, if any, after such implementation when the SLAs will not apply.

5.2 Exclusions

No remedies for any error, failure or delay of Supplier shall be deemed to occur to the extent resulting from the following (collectively "Exclusions")

1. Any failure, error or delay resulting from volume in a given interval exceeds the volume in Locked Forecast for such Contact to transaction type that interval by more than ****, except in the case of the ASP Solution Platform Availability SLA for which the threshold shall be **** of the **** volume of Customer Orders processed by such Channel during the rolling period of the ****.
