

Synchronoss Technologies, Inc. To Moderate Roundtable on Fixed Mobile Convergence at Spring VON 2007

February 23, 2007

Leading Communication Service Providers (CSPs) Such As Level 3, Cox Communications, EarthLink and Vonage to Participate in Convergence Dialogue

BRIDGEWATER, N.J.--(BUSINESS WIRE)--Feb. 23, 2007--Synchronoss Technologies, Inc. (Nasdaq: SNCR), the premier provider of on-demand transaction management software to Tier One CSPs, today announced that the company will moderate a roundtable discussion on Fixed Mobile Convergence at Spring VON 2007 in San Jose, CA. Moderated by Omar Tellez, executive vice president of marketing for Synchronoss Technologies, the event will take place on Tuesday, March 20, 2007 at the San Jose Convention Center - Room A1, from 5:45 pm - 6:45 pm.

Roundtable participants, including senior executives from leading communications service providers such as Level 3, Cox Communications, EarthLink and Vonage, will discuss alternative viewpoints on how to provide a seamless wireless experience from any device, across any network, with any application. Furthermore, the roundtable will debate which applications will act as catalysts to truly drive the integration of the different networks and what implications convergence will have on OSS/BSS elements.

Synchronoss will have a major presence at VON. Company activities during the conference include:

Tuesday March 20 - Thursday March 22, 2007

What: Hospitality Suite

Where: Guadalupe Room in the San Jose Marriott (adjacent to the San Jose Convention Center)
